**SAFE SCHOOL CLIMATE PLAN**

The Board is committed to creating and maintaining a physically, emotionally, and intellectually safe educational environment free from bullying, teen dating violence, harassment and discrimination. In order to foster an atmosphere conducive to learning, the Board has developed the following Safe School Climate Plan, consistent with state law and Board Policy. This Plan represents a comprehensive approach to addressing bullying, cyberbullying and teen dating violence and sets forth the Board's expectations for creating a positive school climate and thus preventing, intervening, and responding to incidents of bullying and teen dating violence.

Bullying behavior and teen dating violence are strictly prohibited, and students who are determined to have engaged in such behavior are subject to disciplinary action, which may include suspension or expulsion from school. The district's commitment to addressing bullying behavior and teen dating violence, however, involves a multi-faceted approach, which includes education and the promotion of a positive school climate in which bullying will not be tolerated by students or school staff.

**I. Prohibition Against Bullying, Teen Dating Violence and Retaliation**

- A. The Board expressly prohibits any form of bullying behavior and teen dating violence on school grounds; at a school-sponsored or school-related activity, function or program whether on or off school grounds; at a school bus stop; on a school bus or other vehicle owned, leased or used by a local or regional board of education; or through the use of an electronic device or an electronic mobile device owned, leased or used by Board of Education.
- B. The Board also prohibits any form of bullying behavior outside of the school setting if such bullying (i) creates a hostile environment at school for the student against whom such bullying was directed, (ii) infringes on the rights of the student against whom such bullying was directed at school, or (iii) substantially disrupts the education process or the orderly operation of a school;
- C. The Board further prohibits any form of teen dating violence outside of the school setting if such violence substantially disrupts the educational process;
- D. In addition to prohibiting student acts that constitute bullying, the Board also prohibits discrimination and/or retaliation against an individual who reports or assists in the investigation of an act of bullying.
- E. Students who engage in bullying behavior or teen dating violence in violation of Board Policy and the Safe School Climate Plan shall be subject to school discipline, up to and including expulsion, in accordance with the Board's policies

The Superintendent shall appoint, from existing school district staff, a District Safe School Climate Coordinator (“Coordinator”). The Coordinator shall:

1. be responsible for implementing the district’s Safe School Climate Plan (“Plan”);
2. collaborate with Safe School Climate Specialists, the Board, and the Superintendent to prevent, identify and respond to bullying in district schools;
3. provide data and information, in collaboration with the Superintendent, to the Department of Education regarding bullying;
4. meet with Safe School Climate Specialists at least twice during the school year to discuss issues relating to bullying the school district and to make recommendations concerning amendments to the district’s Plan.

B. Safe School Climate Specialist

The Principal of each school (or principal’s designee) shall serve as the Safe School Climate Specialist. The Safe School Climate Specialist shall investigate or supervise the investigation of reported acts of bullying and act as the primary school official responsible for preventing, identifying and responding to reports of bullying in the school.

- B. The Committee shall: 1) receive copies of completed reports following bullying investigations; 2) identify and address patterns of bullying among students in the school; 3) implement the provisions of the school security and safety plan, if applicable, regarding the collection, evaluation and reporting of information relating to instances of disturbing or threatening behavior that may not meet the

- C. Any parent/guardian serving as a member of the Committee shall not participate in any activities which may compromise the confidentiality of any student, including, but not limited to receiving copies of investigation reports, or identifying or addressing patterns of bullying among students in the school.
- D. The Board of Education shall approve the Safe School Climate Plan developed pursuant to Board policy and submit such plan to the Department of Education. Not later than thirty (30) calendar days after approval by the Board, the Board shall make such plan available on the Board's and each individual school in the school district's web site and ensure that the Safe School Climate Plan is included in the school district's publication of the rules, procedures and standards of conduct for schools and in all student handbooks.

**VI. Procedures for Reporting and Investigating Complaints of Bullying**

- A. Students and parents (or guardians of students) may file written reports of bullying. Written reports of bullying shall be reasonably specific as to the basis for the report, including the time and place of the alleged conduct, the number of incidents, the target of the suspected bullying, and the names of potential witnesses. Such reports may be filed with any building administrator and/or the Safe School Climate Specialist (i.e. building principal), and all reports shall be forwarded to the Safe School Climate Specialist for review and actions consistent with this Plan.
- B. Students may make anonymous reports of bullying to any school employee. Students may also request anonymity when making a report, even if the student's identity is known to the school employee. In cases where a student requests anonymity, the Safe School Climate Specialist or his/her designee shall meet with the student (if the student's identity is known) to review the request for anonymity and discuss the impact that maintaining the anonymity of the complainant may have on the investigation and on any possible remedial action. All anonymous reports shall be reviewed and reasonable action will be taken to address the situation, to the extent such action may be taken that does not disclose the source of the report, and is consistent with the due process rights of the student(s) alleged to have committed acts of bullying. No disciplinary action shall be taken solely on the basis of an anonymous report.

Ashford Board of Education  
Ashford, Connecticut

- C. School employees who witness acts of bullying or receive reports of bullying shall orally notify the Safe School Climate Specialist or another school administrator if the Safe School Climate Specialist is unavailable, not later than one (1) school day after such school employee witnesses or receives a report of bullying. The school employee shall then file a written report not later than two (2) school days after making such oral report.
- D. The Safe School Climate Specialist shall be responsible for reviewing any anonymous reports of bullying and shall investigate or supervise the investigation of all reports of bullying and ensure that such investigation is completed promptly after receipt of any written reports. The Safe School Climate Specialist shall also be responsible for promptly notifying the parents or guardians of the student alleged to have committed an act or acts of bullying, and the parents or guardians of the student against whom such alleged act or acts were directed, that an investigation has commenced. In order to allow the district to adequately investigate complaints filed by a student or parent/guardian, the parent of the student suspected of being bullied should be asked to provide consent to permit the release of that student's name in connection with the investigation process, unless the student and/or parent has requested anonymity.
- E. In investigating reports of bullying, the Safe School Climate Specialist or designee will consider all available information known, including the nature of the allegations and the ages of the students involved. The Safe School Climate Specialist will interview witnesses, as necessary, reminding the alleged perpetrator and other parties that retaliation is strictly prohibited and will result in disciplinary action.

**VII. Responding to Verified Acts of Bullying**

- A. Following investigation, if acts of bullying are verified, the Safe School Climate Specialist or designee shall notify the parents or guardians of the students against whom such acts were directed as well as the parents or guardians of the students who commit such acts of bullying of the finding **not later than forty-eight hours** after the investigation is completed. This notification shall include a description of the school's response to the acts of bullying. In providing such notification, however, care must be taken to respect the statutory privacy rights of other students, including the perpetrator of such bullying. The specific disciplinary consequences imposed on the perpetrator, or personally identifiable information about a student other than the parent/guardian's own child, may not be disclosed except as provided by law.
- B. In any instance in which bullying is verified, the Safe School Climate Specialist or designee shall invite the parents or guardians of the student against whom such act was directed to a meeting to communicate the measures being taken by the school to ensure the safety of the student/victim and policies and procedures in place to prevent further acts of bullying. The Safe School Climate Specialist or

Ashford Board of Education  
Ashford, Connecticut

designee shall also invite the parents or guardians of a student who commits any verified act of bullying to a meeting, separate and distinct from the previously described meeting, to discuss specific interventions undertaken by the school to prevent further acts of bullying. The invitation may be made simultaneous with the notification described above in Section VII.A.

C. If bullying is verified, the Safe School Climate Specialist or designee shall develop a student safety support plan for any student against whom an act of bullying was directed. Such support plan will include safety measures to protect against further acts of bullying.

D. A specific written intervention plan shall be developed to address repeated incidents of bullying against a single individual or recurrently perpetrated bullying incidents by the same individual. The written intervention plan may include counseling, discipline and other appropriate remedial actions as determined by the Safe School Climate Specialist or designee, and may also incorporate a student safety support plan, as appropriate.

E. Notice to Law Enforcement

If the Principal of a school (or his/her designee) reasonably believes that any act of bullying constitutes a criminal offense, he/she shall notify appropriate law enforcement. Notice shall be consistent with the Board's obligations under state and federal law and Board policy regarding the disclosure of personally identifiable student information. In making this determination, the Principal or his/her designee, may consult with the school resource officer, if any, and other individuals the principal or designee deems appropriate.

F. If a bullying complaint raises a concern about discrimination or harassment on the basis of a legally protected classifications (such as race, religion, color, national origin, sex, sexual orientation, age, disability or gender identity or expression), the Safe School Climate Specialist or designee shall also coordinate any bullying investigation with other appropriate personnel within the district as appropriate (e.g. Title IX Coordinator, Section 504 Coordinator etc.), so as to ensure that any such bullying investigation complies with the requirements of such policies regarding nondiscrimination.

### **VIII. Teen Dating Violence**

A. The school strictly prohibits, and takes very seriously any instances of, teen dating violence, as defined above. The school recognizes that teen dating violence may take many different forms and may also be considered bullying and/or sexual harassment.

B. Students and parents (or guardians of students) may bring verbal or written complaints regarding teen dating violence to any building administrator. The

Ashford Board of Education  
Ashford, Connecticut

building administrator shall review and address the complaint, which may include referral of the complaint to the Safe School Climate Specialist and/or Title IX Coordinator.

- C. Prevention and intervention strategies concerning teen dating violence shall be implemented in accordance with Section X below. Discipline, up to and including expulsion, may be imposed against the perpetrator of teen dating violence, whether such conduct occurs on or off campus, in accordance with Board policy and consistent with federal and state law.

**IX. Documentation and Maintenance of Log**

- A. Each school shall maintain written reports of bullying, along with supporting documentation received and/or created as a result of bullying investigations, consistent with the Board's obligations under state and federal law. Any educational record containing personally identifiable student information pertaining to an individual student shall be maintained in a confidential manner, and shall not be disclosed to third parties without written prior written consent of a parent, guardian or eligible student, except as permitted under Board policy and state and federal law.
- B. The Principal of each school shall maintain a list of the number of verified acts of bullying in the school and this list shall be available for public inspection upon request. Consistent with district obligations under state and federal law regarding student privacy, the log shall not contain any personally identifiable student information, or any information that alone or in combination would allow a reasonable person in the school community to identify the students involved. Accordingly, the log should be limited to basic information such as the number of verified acts, name of school and/or grade level and relevant date. Given that any determination of bullying involves repeated acts, each investigation that results in a verified act of bullying for that school year shall be tallied as one verified act of bullying unless the specific actions that are the subject of each report involve separate and distinct acts of bullying. The list shall be limited to the number of verified acts of bullying in each school and shall not set out the particulars of each verified act, including, but not limited to any personally identifiable student information, which is confidential information by law.
- C. The Principal of each school shall report the number of verified acts of bullying in the school annually to the Department of Education in such manner as prescribed by the Commissioner of Education.

**X. Other Prevention and Intervention Strategies**

- A. Bullying behavior and teen dating violence can take many forms and can vary dramatically in the nature of the offense and the impact the behavior may have on the victim and other students. Accordingly, there is no one prescribed response to

Ashford Board of Education  
Ashford, Connecticut

verified acts of bullying or to teen dating violence. While conduct that rises to the level of “bullying” or “teen dating violence” as defined above, will generally warrant traditional disciplinary action against the perpetrator of such bullying or teen dating violence, whether and to what extent to impose disciplinary action (e.g., detention, in-school suspension, suspension or expulsion) is a matter for the professional discretion of the building principal (or responsible program administrator or his/her designee). No disciplinary action may be taken solely on the basis of an anonymous complaint of bullying. As discussed below, schools may also consider appropriate alternative to traditional disciplinary sanctions, including age-appropriate consequences and other restorative or remedial interventions.

- B. A specific written intervention plan shall be developed to address repeated incidents of bullying against a single individual or recurrently perpetrated bullying incidents by the same individual. This plan may include safety provisions, as described above, for students against whom acts of bullying have been verified and may include other interventions such as counseling, discipline, and other appropriate remedial or restorative actions as determined by the responsible administrator.
- C. The following sets forth possible interventions which may also be utilized to enforce the Board’s prohibition against bullying and teen dating violence:

- i. Non-disciplinary interventions

When verified acts of bullying are identified early and/or when such verified acts of bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of bullying, its prohibition, and their duty to avoid any conduct that could be considered bullying. Students may also be subject to other forms of restorative discipline or remedial actions, appropriate to the age of the students and nature of the behavior.

If a complaint arises out of conflict between students or groups of students, peer or other forms of mediation may be considered. Special care, however, is warranted in referring such cases to peer mediation. A power imbalance may make the process intimidating for the victim and therefore inappropriate. In such cases, the victim should be given additional support. Alternatively, peer mediation may be deemed inappropriate to address the concern.

When an act or acts of teen dating violence are identified, the students involved may be counseled as to the seriousness of the conduct, the prohibition of teen dating violence, and their duty to avoid any such conduct. Students may also be subject to other

Ashford Board of Education  
Ashford, Connecticut

forms of restorative discipline or remedial actions, appropriate to the age of the students and nature of the behavior.

ii. Disciplinary interventions

When acts of bullying are verified or teen dating violence occurs, and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Anonymous complaints of bullying, however, shall not be the basis for disciplinary action.

In-school suspension and suspension may be imposed only after informing the accused perpetrator of the reasons for the proposed suspension and giving him/her an opportunity to explain the situation, in accordance with the Board's Student Discipline policy.

Expulsion may be imposed only after a hearing before the Board of Education, a committee of the Board or an impartial hearing officer designated by the Board of Education in accordance with the Board's Student Discipline policy. This consequence shall normally be reserved for serious incidents of bullying and teen dating violence, and/or when past interventions have not been successful in eliminating bullying behavior.

iii. Interventions for bullied students and victims of teen dating violence

The building principal (or other responsible program administrator) or his/her designee shall intervene in order to address incidents of bullying or teen dating violence against a single individual. Intervention strategies for a bullied student or victim of teen dating violence may include the following:

- a. Referral to a school counselor, psychologist or other appropriate social or mental health service;
- b. Increased supervision and monitoring of student to observe and intervene in bullying situations or instances of teen dating violence;
- c. Encouragement of student to seek help when victimized or witnessing victimization;
- d. Peer mediation or other forms of mediation, where appropriate;
- e. Student Safety Support plan;

Ashford Board of Education  
Ashford, Connecticut

- f. Restitution and/or restorative interventions; and
- g. Periodic follow-up by the Safe School Climate Specialist and Title IX Coordinator with the bullied student or victim of teen dating violence.

iv. General Prevention and Intervention Strategies

In addition to the prompt investigation of complaints of bullying and direct intervention when acts of bullying are verified, other district actions may ameliorate potential problems with bullying in school or at school-sponsored activities. Additional district actions may also ameliorate potential problems with teen dating violence. While no specific action is required, and school needs for specific prevention and intervention strategies may vary from time to time, the following list of potential prevention and intervention strategies shall serve as a resource for administrators, teachers and other professional employees in each school. Such prevention and intervention strategies may include, but are not limited to:

- a. School rules prohibiting bullying, teen dating violence, harassment and intimidation and establishing appropriate consequences for those who engage in such acts;
- b. Adequate adult supervision of outdoor areas, hallways, the lunchroom and other specific areas where bullying or teen dating violence are likely to occur;
- c. Inclusion of grade-appropriate bullying and teen dating violence education and prevention curricula in kindergarten through high school, which may include instruction regarding building safe and positive school communities including developing healthy relationships and preventing dating violence as deemed appropriate for older students;
- d. Individual interventions with the perpetrator, parents and school employees, and interventions with the bullied student, parents and school employees;
- e. School-wide training related to safe school climate, which training may include Title IX/Sexual harassment training, Section 504/ADA Training, cultural diversity/multicultural education or other training in federal and state civil rights legislation or other topics relevant to safe school climate;
- f. Student peer training, education and support; and

Ashford Board of Education

- g. Promotion of parent involvement in bullying prevention through individual or team participation in meetings, trainings and individual interventions;

  - l. Avoidance of sex-role stereotyping;

## **XI. Improving School Climate**

**[Individual schools should use this section to outline affirmative steps to improve the quality of school climate as defined within a particular school and/or district. 1. was in **possession on school grounds** or at a **school-sponsored activity** of a **deadly weapon, dangerous instrument, martial arts weapon, or firearm** as defined in 18 U.S.C. § 921 as amended from time to time; or

- D. In keeping with Conn. Gen. Stat. § 10-233d and the Gun-Free Schools Act, it shall be the policy of the Board to expel a student for one (1) full calendar year for: the conduct described in Section IV(B)(1), (2) and (3) of this policy. For any mandatory expulsion offense, the Board may modify the term of expulsion on a case-by-case basis.

V. Procedures Governing Removal from Class

- A. A student may be removed from class by a teacher or administrator if he/she deliberately causes a serious disruption of the educational process. When a student is removed, the teacher must send him/her to a designated area and notify the principal or his/her designee at once.
- B. A student may not be removed from class more than six (6) times in one school year nor more than twice in one week unless the student is referred to the building principal or designee and granted an informal hearing at which the student should be informed of the reasons for the disciplinary action and given an opportunity to explain the situation.
- C. The parents or guardian of any minor student removed from class shall be given notice of such disciplinary action within twenty-four (24) hours of the time of the institution of such removal from class.

VI. Procedures Governing Suspension

- A. The principal of a school, or designee on the administrative staff of the school, shall have the right to suspend any student for breach of conduct as noted in Section II of this policy for not more than ten (10) consecutive school days. In cases where suspension is contemplated, the following procedures shall be followed.
  - 1. Unless an emergency situation exists, no student shall be suspended prior to having an informal hearing before the principal or designee at which the student is informed of the charges and given an opportunity to respond. In the event of an emergency, the informal hearing shall be held as soon after the suspension as possible.
  - 2. If suspended, such suspension shall be an in-school suspension unless, during the informal hearing, the principal or designee determines that the student: (a) poses such a danger to persons or property or such a disruption of the educational process that he or she should be excluded from school during the period of suspension; or (b) the administration determines that an out-of-school suspension is appropriate based on evidence of (i) the student's previous disciplinary problems that have led to suspensions or expulsion of such student, and (ii) previous efforts by the administration to address the student's disciplinary problems through means other than out-of-school suspension or expulsion, including positive behavioral support strategies.

3. Evidence of past disciplinary problems that have led to removal from a classroom, suspension, or expulsion of a student who is the subject of an informal hearing may be received by the principal or designee, but only considered in the determination of the length of suspensions.
4. By telephone, the principal or designee shall make reasonable attempts to immediately notify the parent or guardian of a minor student following the suspension and to state the cause(s) leading to the suspension.
5. Whether or not telephone contact is made with the parent or guardian of such minor student, the principal or designee shall forward a letter promptly to such parent or guardian to the last address reported on school records (or to a newer address if known by the principal or designee), offering the parent or guardian an opportunity for a conference to discuss same.
6. In all cases, the parent or guardian of any minor student who has been suspended shall be given notice of such suspension within twenty-four (24) hours of the time of the institution of the suspension.
7. Not later than twenty-four (24) hours after the commencement of the suspension, the principal or designee shall also notify the Superintendent or his/her designee of the name of the student being suspended and the reason for the suspension.
8. The student shall be allowed to complete any classwork, including examinations, without penalty, which he or she missed while under suspension.
9. The school administration may, in its discretion, shorten or waive the suspension period for a student who has not previously been suspended or expelled, if the student completes an administration-specified program and meets any other conditions required by the administration. Such administration-specified program shall not require the student and/or the student's parents to pay for participation in the program.
10. Notice of the suspension shall be recorded in the student's cumulative educational record. Such notice shall be expunged from the cumulative educational record if the student graduates from high school. In cases where the student's period of suspension is shortened or waived in accordance with Section VI.A(9), above, the administration may choose to expunge the

suspension notice from the cumulative record at the time the student completes the administration-specified program and meets any other conditions required by the administration.

11. If the student has not previously been suspended or expelled, and the administration chooses to expunge the suspension notice from the student's cumulative record prior to graduation, the administration may refer to the existence of the expunged disciplinary notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspensions or expulsions by the student would constitute the student's first such offense.
  12. The decision of the principal or designee with regard to disciplinary actions up to and including suspensions shall be final.
  13. During any period of suspension served out of school, the student shall not be permitted to be on school property and shall not be permitted to attend or participate in any school-sponsored activities, unless the principal specifically authorizes the student to enter school property for a specified purpose or to participate in a particular school-sponsored activity.
- B. In cases where a student's suspension will result in the student being suspended more than ten (10) times or for a total of fifty (50) days in a school year, whichever results in fewer days of exclusion, the student shall, prior to the pending suspension, be granted a formal hearing before the Board of Education. The principal or designee shall report the student to the Superintendent or designee and request a formal Board hearing. If an emergency situation exists, such hearing shall be held as soon after the suspension as possible.

## VII. Procedures Governing In-School Suspension

- A. The principal or designee may impose in-school suspension in cases where a student's conduct endangers persons or property, violates school policy, seriously disrupts the educational process or in other appropriate circumstances as determined by the principal or designee.
- B. In-school suspension may not be imposed on a student without an informal hearing by the building principal or designee.
- C. In-school suspension may be served in the school that the student regularly attends or in any other school building within the jurisdiction of the Board.

- D. No student shall be placed on in-school suspension more than fifteen (15) times or for a total of fifty (50) days in one school year, whichever results in fewer days of exclusion.
- E. The parents or guardian of any minor student placed on in-school suspension shall be given notice of such suspension within twenty-four (24) hours of the time of the institution of the period of the in-school suspension.

#### VIII. Procedures Governing Expulsion Hearing

##### A. Emergency Exception:

Except in an emergency situation, the Board of Education shall, prior to expelling any student, conduct a hearing to be governed by the procedures outlined herein and consistent with the requirements of Conn. Gen. Stat. § 10-233d and the applicable provisions of the Uniform Administrative Procedures Act, Conn. Gen. Stat. §§ 4-176e to 4-180a, and § 4-181a. Whenever an emergency exists, the hearing provided for herein shall be held as soon as possible after the expulsion.

##### B. Hearing Panel:

1. Expulsion hearings conducted by the Board will be heard by any three or more Board members. A decision to expel a student must be supported by a majority of the Board members present, provided that no less than three (3) affirmative votes to expel are cast.
2. Alternatively, the Board may appoint an impartial hearing board composed of one (1) or more persons to hear and decide the expulsion matter, provided that no member of the Board may serve on such panel.

##### C. Hearing Notice:

1. Written notice of the expulsion hearing must be given to the student, and, if the student is a minor, to his/her parent(s) or guardian(s) within a reasonable time prior to the time of the hearing.
2. A copy of this Board policy on student discipline shall also be given to the student, and if the student is a minor, to his/her parent(s) or guardian(s), at the time the notice is sent that an expulsion hearing will be convened.

3. The written notice of the expulsion hearing shall inform the student of the following:
  - a. The date, time, place and nature of the hearing.
  - b. The legal authority and jurisdiction under which the hearing is to be held, including a reference to the particular sections of the legal statutes involved.
  - c. A short, plain description of the conduct alleged by the administration.
  - d. The student may present as evidence relevant testimony and documents concerning the conduct alleged and the appropriate length and conditions of expulsion; and that the expulsion hearing may be the student's sole opportunity to present such evidence.
  - e. The student may cross-examine witnesses called by the Administration.
  - f. The student may be represented by any third party of his/her choice, including an attorney, at his/her expense or at the expense of his/her parents.
  - g. A student is entitled to the services of a translator or interpreter, to be provided by the Board of Education, whenever the student or his/her parent(s) or guardian(s) requires the services of an interpreter because he/she/they do(es) not speak the English language or is(are) disabled.
  - h. The conditions under which the Board is not legally required to give the student an alternative educational opportunity (if applicable).
  - i. Information about free or reduced-rate legal services and how to access such services.

D. Hearing Procedures:

1. The hearing will be conducted by the Presiding Officer, who will call the meeting to order, introduce the parties, Board members and counsel, briefly explain the hearing procedures, and swear in any witnesses called by the Administration or the student.

2. The hearing will be conducted in executive session. A verbatim record of the hearing will be made, either by tape recording or by a stenographer. A record of the hearing will be maintained, including the verbatim record, all written notices and documents relating to the case and all evidence received or considered at hearing.
3. Formal rules of evidence will not be followed. The Board has the right to accept hearsay and other evidence if it deems that evidence relevant or material to its determination. The Presiding Officer will rule on testimony or evidence as to it being immaterial or irrelevant.
4. The hearing will be conducted in two (2) parts. In the first part of the hearing, the Board will receive and consider evidence regarding the conduct alleged by the Administration.
5. In the first part of the hearing, the charges will be introduced into the record by the Superintendent or his/her designee.
6. Each witness for the Administration will be called and sworn. After a witness has finished testifying, he/she will be subject to cross-examination by the opposite party or his/her legal counsel, by the Presiding Officer and by Board members.
7. After the Administration has presented its case, the student will be asked if he/she has any witnesses or evidence to present concerning the charges. If so, the witnesses will be sworn, will testify, and will be subject to cross examination and to questioning by the Presiding Officer and/or by the Board. The student may also choose to make a statement at this time. If the student chooses to make a statement, he or she will be sworn and subject to cross examination and questioning by the Presiding Officer and/or by the Board. Concluding statements will be made by the Administration and then by the student and/or his or her representative.
8. In cases where the student has denied the allegation, the Board must determine whether the student committed the offense(s) as charged by the Superintendent.
9. If the Board determines that the student has committed the conduct as alleged, then the Board shall proceed with the second portion of the hearing, during which the Board will receive and consider relevant evidence regarding the length and conditions of expulsion.

10. When considering the length and conditions of expulsion, the Board may review the student's attendance, academic and past disciplinary records. The Board may not review notices of prior expulsions or suspensions which have been expunged from the student's cumulative record, except as so provided in Section VI.A (9), (10), (11), above, and Section X, below. The Board may ask the Superintendent for a recommendation as to the discipline to be imposed.
11. Evidence of past disciplinary problems which have led to removal from a classroom, suspension or expulsion of a student being considered for expulsion may be considered only during the second portion of the hearing, during which the Board is considering length of expulsion and nature of alternative educational opportunity to be offered.
12. Where administrators presented the case in support of the charges against the student, such administrative staff shall not be present during the deliberations of the Board either on questions of evidence or on the final discipline to be imposed. The Superintendent may, after reviewing the incident with administrators, and reviewing the student's records, make a recommendation to the Board as to the appropriate discipline to be applied.
13. The Board shall make findings as to the truth of the charges, if the student has denied them; and, in all cases, the disciplinary action, if any, to be imposed. While the hearing itself is conducted in executive session, the vote regarding expulsion must be made in open session and in a manner that preserves the confidentiality of the student's name and other personally identifiable information.
14. Except for a student who has been expelled based on possession of a firearm or deadly weapon as described in subsection IV.B(1) and (2) above, the Board may, in its discretion, shorten or waive the expulsion period for a student who has not previously been suspended or expelled, if the student completes a Board-specified program and meets any other conditions required by the Board. The Board-specified program shall not require the student and/or the student's parents to pay for participation in the program.
15. The Board shall report its final decision in writing to the student, or if such student is a minor, also to the parent(s) or guardian(s), stating the reasons on which the decision is based, and the disciplinary action to be imposed. Said decision shall be based solely on evidence presented at the hearing. The parents or

guardian or any minor student who has been expelled shall be given notice of such disciplinary action within twenty-four (24) hours of the time of the institution of the period of the expulsion.

E. Presence on School Grounds and Participation in School-Sponsored Activities During Expulsion:

During the period of expulsion, the student shall not be permitted to be on school property and shall not be permitted to attend or participate in any school-sponsored activities, except for the student's participation in any alternative educational program provided by the district in accordance with this policy, unless the Superintendent specifically authorizes the student to enter school property for a specified purpose or to participate in a particular school-sponsored activity.

F. Stipulated Agreements:

In lieu of the procedures used in this section, the Administration and the parents (or legal guardians) of a student facing expulsion may choose to enter into a Joint Stipulation of the Facts and a Joint Recommendation to the Board concerning the length and conditions of expulsion. Such Joint Stipulation and Recommendation shall include language indicating that the parents (or legal guardians) understand their right to have an expulsion hearing held pursuant to these procedures, and language indicating that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts and Recommendation. If the Board rejects either the Joint Stipulation of Facts or the Recommendation, an expulsion hearing shall be held pursuant to the procedures outlined herein. If the Student is eighteen years of age or older, the student shall have the authority to enter into a Joint Stipulation and Recommendation on his or her own behalf.

If the parties agree on the facts, but not on the disciplinary recommendation, the Administration and the parents (or legal guardians) of a student facing expulsion may also choose to enter into a Joint Stipulation of the Facts and submit only the Stipulation of the Facts to the Board in lieu of holding the first part of the hearing, as described above. Such Joint Stipulation shall include language indicating that the parents understand their right to have a hearing to determine whether the student engaged in the alleged misconduct and that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts. If the Board rejects the Joint Stipulation of Facts, a full expulsion hearing shall be held pursuant to the procedures outlined herein.

IX. Alternative Educational Opportunities for Expelled Students

A. *Students under sixteen (16) years of age:*

Whenever the Board of Education expels a student under sixteen (16) years of age, it shall offer any such student an alternative educational opportunity.

B. *Students sixteen (16) to eighteen (18) years of age:*

1. The Board of Education shall provide an alternative educational opportunity to a sixteen (16) to eighteen (18) year old student expelled for the first time if he/she requests it and if he/she agrees to the conditions set by the Board of Education. Such alternative educational opportunity may include, but shall not be limited to, the placement of a pupil who is at least sixteen years of age in an adult education program. Any pupil participating in an adult education program during a period of expulsion shall not be required to withdraw from school as a condition to his/her participation in the adult education program.
2. The Board of Education is not required to offer an alternative educational opportunity to any student between the ages of sixteen (16) and eighteen (18) who is expelled for the second time, or if it is determined at the hearing that (1) the student possessed a dangerous instrument, deadly weapon, firearm or martial arts weapon on school property or at a school-sponsored activity, or (2) the student offered a controlled substance for sale or distribution on school property or at a school-sponsored activity.
3. The Board of Education shall count the expulsion of a pupil when he/she was under sixteen years of age for purposes of determining whether an alternative educational opportunity is required for such pupil when he/she is between the ages of sixteen and eighteen.

C. *Students eighteen (18) years of age or older:*

The Board of Education is not required to offer an alternative educational opportunity to expelled students eighteen (18) years of age or older.

D. *Students identified as eligible for services under the Individuals with Disabilities Education Act ("IDEA"):*

Notwithstanding Sections IX.A. through C. above, if the Board of Education expels a student who has been identified as eligible for services under the Individuals with Disabilities Education Act ("IDEA"), it shall offer an alternative educational opportunity to such student in accordance with the requirements of IDEA, as it may be amended from time to time.

E. *Students for whom an alternative educational opportunity is not required:*

The Board of Education may offer an alternative educational opportunity to a pupil for whom such alternative educational opportunity is not required as described in this policy.

X. Notice of Student Expulsion on Cumulative Record

Notice of expulsion and the conduct for which the student was expelled shall be included on the student's cumulative educational record. Such notice, except for notice of an expulsion of a student in grades nine through twelve, inclusive, based upon possession of a firearm or deadly weapon, shall be expunged from the cumulative educational record by the Board if the student graduates from high school.

In cases where the student's period of expulsion is shortened or waived in accordance with Section VIII.D(14), above, the Board may choose to expunge the expulsion notice from the cumulative record at the time the student completes the Board-specified program and meets any other conditions required by the Board.

If a student's period of expulsion was not shortened or waived, the Board may choose to expunge the expulsion notice from the student's cumulative record prior to graduation if such student has demonstrated to the Board that the student's conduct and behavior in the years following such expulsion warrants an expungement. In deciding whether to expunge the expulsion notice, the Board may receive and consider evidence of any subsequent disciplinary problems that have led to removal from a classroom, suspension or expulsion of the student.

If the student has not previously been suspended or expelled, and the administration chooses to expunge the expulsion notice from the student's cumulative record prior to graduation, the administration may refer to the existence of the expunged notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspension or expulsion by the student would constitute the student's first such offense.

XI. Change of Residence During Expulsion Proceedings

A. *Student moving into the school district:*

1. If a student enrolls in the district while an expulsion hearing is pending in another district, such student shall not be excluded from school pending completion of the expulsion hearing unless an emergency exists, as defined above. The Board shall retain the

authority to suspend the student or to conduct its own expulsion hearing.

2. Where a student enrolls in the district during the period of expulsion from another public school district, the Board may adopt the decision of the student expulsion hearing conducted by such other school district. The student shall be excluded from school pending such hearing. The excluded student shall be offered an alternative educational opportunity in accordance with statutory requirements. The Board shall make its determination based upon a hearing held by the Board, which hearing shall be limited to a determination of whether the conduct which was the basis of the previous public school district's expulsion would also warrant expulsion by the Board.

B. *Student moving out of the school district:*

Where a student withdraws from school after having been notified that an expulsion hearing is pending, but before a decision has been rendered by the Board, the notice of the pending expulsion hearing shall be included on the student's cumulative record and the Board shall complete the expulsion hearing and render a decision. If the Board subsequently renders a decision to expel the student, a notice of the expulsion shall be included on the student's cumulative record.

XII. Procedures Governing Suspension and Expulsion of Students Identified as Eligible for Services under the Individuals with Disabilities Education Act ("IDEA")

A. *Suspension of IDEA students:*

Notwithstanding the foregoing, if the Administration suspends a student identified as eligible for services under the IDEA (an "IDEA student") who has violated any rule or code of conduct of the school district that applies to all students, the following procedures shall apply:

1. The administration shall make reasonable attempts to immediately notify the parents of the student of the decision to suspend on the date on which the decision to suspend was made, and a copy of the special education procedural safeguards must either be hand-delivered or sent by mail to the parents on the date that the decision to suspend was made.
2. During the period of suspension, the school district is not required to provide any educational services to the IDEA

student beyond that which is provided to all students suspended by the school district.

B. *Expulsion and Suspensions that Constitute Changes in Placement for IDEA students:*

Notwithstanding any provision to the contrary, if the administration recommends for expulsion an IDEA student who has violated any rule or code of conduct of the school district that applies to all students, the procedures described in this section shall apply. The procedures described in this section shall also apply for students whom the administration has suspended in a manner that is considered under the IDEA, as it may be amended from time to time, to be a change in placement:

1. The parents of the student must be notified of the decision to recommend for expulsion (or to suspend if a change in placement) on the date on which the decision to suspend was made, and a copy of the special education procedural safeguards must either be hand-delivered or sent by mail to the parents on the date that the decision to recommend for expulsion (or to suspend if a change in placement) was made.
2. The school district shall immediately convene the student's planning and placement team ("PPT"), but in no case later than ten (10) school days after the recommendation for expulsion or the suspension that constitutes a change in placement was made. The student's PPT shall consider the relationship between the student's disability and the behavior that led to the recommendation for expulsion or the suspension which constitutes a change in placement, in order to determine whether the student's behavior was a manifestation of his/her disability.
3. If the student's PPT finds that the behavior was a manifestation of the student's disability, the Administration shall not proceed with the recommendation for expulsion or the suspension that constitutes a change in placement.
4. If the student's PPT finds that the behavior was not a manifestation of the student's disability, the Administration may proceed with the recommended expulsion or suspension that constitutes a change in placement.
5. During any period of expulsion, or suspension of greater than ten (10) days per school year, the Administration shall provide the student with an alternative education program in accordance with the provisions of the IDEA.

6. When determining whether to recommend an expulsion or a suspension that constitutes a change in placement, the building administrator (or his or her designee) should consider the nature of the misconduct and any relevant educational records of the student.

C. *Transfer of IDEA students for Certain Offenses:*

School personnel may transfer an IDEA student to an appropriate interim alternative educational setting for not more than forty-five (45) school days if the student:

1. Was in possession of a dangerous weapon, as defined in 18 U.S.C. 930(g)(2), as amended from time to time, on school grounds or at a school-sponsored activity, or
2. Knowingly possessed or used illegal drugs or sold or solicited the sale of a controlled substance while at school or at a school-sponsored activity; or
3. Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function.

The following definitions shall be used for this subsection XII.C.:

1. **Dangerous weapon** means a weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocket knife with a blade of less than 2.5 inches in length.
2. **Controlled substance** means a drug or other substance identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act, 21 U.S.C. 812(c).
3. **Illegal drug** means a controlled substance but does not include a substance that is legally possessed or used under the supervision of a licensed health-care professional or that is legally possessed or used under any other authority under the Controlled Substances Act or under any other provision of federal law.
4. **Serious bodily injury** means a bodily injury which involves: (A) a substantial risk of death; (B) extreme physical pain; (C) protracted and obvious disfigurement; or (D) protracted loss or impairment of the function of a bodily member, organ, or mental faculty.

XIII. Procedures Governing Expulsions for Students Identified as Eligible under Section 504 of the Rehabilitation Act of 1973 ("Section 504")

Notwithstanding any provision to the contrary, if the Administration recommends for expulsion a student identified as eligible for educational accommodations under Section 504 who has violated any rule or code of conduct of the school district that applies to all students, the following procedures shall apply:

1. The parents of the student must be notified of the decision to recommend the student for expulsion.
2. The district shall immediately convene the student's Section 504 team ("504 team") for the purpose of reviewing the relationship between the student's disability and the behavior that led to the recommendation for expulsion. The 504 team will determine whether the student's behavior was a manifestation of his/her disability.
3. If the 504 team finds that the behavior was a manifestation of the student's disability, the Administration shall not proceed with the recommended expulsion.
4. If the 504 team finds that the behavior was not a manifestation of the student's disability, the Administration may proceed with the recommended expulsion.

XIV. Procedures Governing Expulsions for Students Committed to a Juvenile Detention Center

- A. Any student who commits an expellable offense and is subsequently committed to a juvenile detention center, the Connecticut Juvenile Training School or any other residential placement for such offense may be expelled by the Board in accordance with the provisions of this section. The period of expulsion shall run concurrently with the period of commitment to a juvenile detention center, the Connecticut Juvenile Training School or any other residential placement.
- B. If a student who committed an expellable offense seeks to return to a school district after having been in a juvenile detention center, the Connecticut Juvenile Training School or any other residential placement and such student has not been expelled by the board of education for such offense under subdivision (A) of this subsection, the Board shall allow such student to return and may not expel the student for additional time for such offense.

XV. Early Readmission to School

An expelled student may apply for early readmission to school. The Board delegates the authority to make decisions on readmission requests to the Superintendent. Students desiring readmission to school shall direct such readmission requests to the Superintendent. The Superintendent has the discretion to approve or deny such readmission requests, and may condition readmission on specified criteria.

XVI. Dissemination of Policy

The Board of Education shall, at the beginning of each school year and at such other times as it may deem appropriate, provide for an effective means of informing all students, parent(s) and/or guardian(s) of this policy.

XVII. Compliance with Documentation and Reporting Requirements

- A. The Board of Education shall include on all disciplinary reports the individual student's state-assigned student identifier (SASID).
- B. The Board of Education shall report all suspensions and expulsions to the State Department of Education.
- C. If the Board of Education expels a student for sale or distribution of a controlled substance, the Board shall refer such student to an appropriate state or local agency for rehabilitation, intervention or job training and inform the agency of its action.
- D. If the Board of Education expels a student for possession of a deadly weapon or firearm, as defined in Conn. Gen. Stat. § 53a-3, the violation shall be reported to the local police.
