Mrs. Celotti requested the board seek in its capital proposals a two-position lift bus for next year. Brief discussion followed with members asking questions about length of the runs, late bus times, etc. Members thanked Mrs. Celotti for her efforts noting that much improvement that has been made over the past 4-5 years and has not gone unnoticed.

Ashford Board of Education Section 504/ADA Grievance/Complaint
Procedures Regarding Discrimination Against Employees

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) and Title II of the Americans with Disabilities Act of 1990 (“Title II” or “ADA”) (collectively, “Section 504/ADA”) prohibit discrimination on the basis of disability. Immunodeficiency Virus infection (whether symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

II. Procedures for Grievances/Complaints Alleging Discrimination on the Basis of Disability

- A. Any eligible person, including any student, parent/guardian, staff member or other employee who feels that he/she has been discriminated against on the basis of disability may submit a written complaint to the district's designated Section 504/ADA Coordinator within thirty (30) school days of the alleged occurrence. Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If the complaint is made verbally, the individual taking the complaint will reduce it to writing. Individuals wishing to make a complaint about discrimination against students on the basis of disability should be referred to the district's Section 504/ADA policies and regulations regarding students.
- B. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperating in the investigation of a complaint. The district will take necessary actions to prevent retaliation as a result of filing a complaint or the participation in an investigation of a complaint.

[NOTE: Districts should note that Section 504 does not provide a statute of limitations for filing grievances/complaints with the district. We recommend that districts encourage prompt reporting by suggesting that complaints be filed within thirty (30) school days in order to facilitate timely resolution of potential disputes.]

- C. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Superintendent who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures.
- D. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.
- F. The complaint should contain the following information:
 - 1. The name of the complainant;
 - 2. The date of the complaint;
 - 3. The date(s) of the alleged discrimination;
 - 4. The names of any witnesses or individuals relevant the complaint;
 - 5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
 - 6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

- G. Upon receipt of the complaint, the individual investigating the complaint shall:
1. Provide a copy of the written complaint to the Superintendent of Schools;
 2. Meet with the complainant within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant believes have relevant information, and obtain any relevant documents the complainant may have;
 3. Provide the complainant with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
 4. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including conducting interviews with individuals with information and review of documents relevant to the complaint;
 5. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;
 6. Communicate the outcome of the investigation in writing to the complainant, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Superintendent. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify how the district will remedy any identified violations of Section 504/ADA;
 7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, complainant will receive notice and interim measures may be implemented as necessary (see sub-paragraph 6);
 8. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination.
 9. In the event the investigator concludes that there is no violation of Section 504/ADA, the district may attempt to resolve the complainant's ongoing concerns, if possible.

- H. If the complainant is not satisfied with the findings and conclusions of the investigation, the complainant may present the complaint and written outcome to the Superintendent for review and reconsideration within thirty (30) calendar days of receiving the findings. This process provides an opportunity for the complainant to bring information to the Superintendent's attention that would change the outcome of the investigation. In submitting the complaint and written outcome for review, the complainant must explain why he/she believes the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the complainant, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and complainant, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the complainant of his/her decision within ten (10) school days following the receipt of the written request for review.

**REPORTS OF SUSPECTED ABUSE OR NEGLECT OF CHILDREN OR
SEXUAL ASSAULT OF STUDENTS BY SCHOOL EMPLOYEES**

Conn. Gen. Stat. Section 17a-101 et seq. requires school employees who have reasonable cause to suspect or believe (1) that any child under eighteen has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, or has been placed at imminent risk of serious harm, or (2) that any person who is being educated by the technical high school system or a local or regional board of education, other than as part of an adult education program, is a victim of sexual assault, and the perpetrator is a school employee, to report such suspicions to the appropriate authority. In furtherance of this statute and its purpose, it is the policy of the Board of Education to require ALL EMPLOYEES of the Board of Education to report suspected abuse and/or neglect, nonaccidental physical injury, imminent risk of serious harm, or sexual assault of a student by a school employee, in accordance with the procedures set forth below.

1. Scope of Policy

This policy applies not only to school employees who are required by law to report suspected child abuse and/or neglect, nonaccidental physical injury, imminent risk of serious harm, or sexual assault of a student by a school employee, but to ALL EMPLOYEES of the Board of Education.

2. Definitions

For the purposes of this policy:

"Abused" means that a child (a) has had physical injury or injuries inflicted upon him or her other than by accidental means, or (b) has injuries which are at variance with the history given of them, or (c) is in a condition which is the result of maltreatment, such as, but not limited to, malnutrition, sexual molestation or exploitation, deprivation of necessities, emotional maltreatment or cruel punishment.

"Neglected" means that a child (a) has been abandoned, or (b) is being denied proper care and attention, physically, educationally, emotionally or morally, or (c) is being permitted to live under conditions, circumstances or associations injurious to his well-being, or (d) has been abused.

"School employee" means (a) a teacher, substitute teacher, school administrator, school superintendent, guidance counselor, psychologist, social worker, nurse, physician, school paraprofessional or coach employed by the Board or who is working in a Board elementary, middle or high school; or (b) any other person who, in the performance of his or her duties, has regular contact with students and who provides services to or on behalf of students enrolled in the Ashford Public Schools, pursuant to a contract with the Board.

"Sexual assault" means, for the purposes of the mandatory reporting laws and this policy, a violation of Sections 53a-70, 53a-70a, 53a-71, 53a-72a, 53a-72b or 53a-73a of the Connecticut General Statutes. Please see Appendix A of this policy for the relevant statutory definitions of sexual assault laws and related terms covered by the mandatory reporting laws and this policy.

"Statutory mandated reporter" means an individual required by Conn. Gen. Stat. Section 17a-101 et seq. to report suspected abuse and/or neglect of children or the sexual assault of a student by a school employee. The term "statutory mandated reporter" includes all school employees, as defined above, and any person who holds or is issued a coaching permit by the State Board of Education, is a coach of intramural or interscholastic athletics, and is eighteen years of age or older.

4. Reporting Procedures for Statutory Mandated Reporters

The following procedures apply only to statutory mandated reporters, as defined above.

When an employee of the Board of Education who is a statutory mandated reporter and who, in the ordinary course of the person's employment, has reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm, or is a victim of sexual assault by a school employee, as described in Paragraph 3, above, the following steps shall be taken.

student, then the employee shall notify the Superintendent or his/her designee directly.

- (3) In cases involving suspected or believed abuse, neglect, or sexual assault of a student by a school employee, the Superintendent or his/her designee shall immediately notify the child's parent or guardian that such a report has been made.
- (4) Not later than forty-eight (48) hours after making an oral report, the employee shall submit a written report to the Commissioner of Children and Families or the Commissioner's designee containing all of the required information. The written report should be submitted on the DCF-136 form or any other form designated for that purpose.
- (5) The employee shall immediately submit a copy of the written report to the Building Principal or his/her designee and to the Superintendent or the Superintendent's designee.
- (6) If the report concerns suspected abuse, neglect, or sexual assault of a student by a school employee holding a certificate, authorization or permit issued by the State Department of Education, the Commissioner of Children and Families (or his/her designee) shall submit a copy of the written report to the Commissioner of Education (or his/her designee).

5. Reporting Procedures for Employees Other Than Statutory Mandated Reporters

The following procedures apply only to employees who are not statutory mandated reporters, as defined above.

- a) When an employee who is not a statutory mandated reporter and who, in the ordinary course of the person's employment or profession, has reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm, or is a victim of sexual assault by a school employee, as described in Paragraph 3, above, the following steps shall be taken.
 - (1) The employee shall make an oral report as soon as practicable, but not later than twelve (12) hours after the employee has reasonable cause to suspect or believe that a child has been abused or neglected, placed at imminent risk of serious harm or is a victim of sexual assault by a school employee. Such oral report shall be made by telephone or in person to the Superintendent of Schools or his/her designee, to be followed by an immediate written report to the Superintendent or his/her designee.

- (2) If the Superintendent or his/her designee determines that there is reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm or is a victim of sexual assault by school employee, he/she shall cause reports to be made in accordance with the procedures set forth for statutory mandated reporters.
- b) Nothing in this policy shall be construed to preclude an employee reporting suspected child abuse, neglect or sexual assault by a school employee from reporting the same directly to the Commissioner of Children and Families.

6. Contents of Reports

Any oral or written report made pursuant to this policy shall contain the following information, if known:

- a) The names and addresses of the child* and his/her parents or other person responsible for his/her care;
- b) the age of the child;
- c) the gender of the child;

*For purposes of this Paragraph, the term “child” includes any victim of sexual assault by a school employee, as described in Paragraph 3, above.

7. Investigation of the Report

- a) The Superintendent or his/her designee shall thoroughly investigate reports of suspected abuse, neglect or sexual assault if/when such report involves an employee of the Board of Education or other individual under the control of the Board, provided such investigation does not impede an investigation by the Department of Children and Families (“DCF”). In all other cases, DCF shall be responsible for conducting the investigation with the cooperation and collaboration of the Board, as appropriate.
- b) Recognizing that DCF is the lead agency for the investigation of child abuse and neglect reports and reports of a student’s sexual assault by school employees, the Superintendent's investigation shall permit and give priority to any investigation conducted by the Commissioner of Children and Families or the appropriate local law enforcement agency. The Superintendent shall conduct the district’s investigation and take any disciplinary action, consistent with state law, upon notice from the Commissioner of Children and Families or the appropriate local law enforcement agency that the district’s investigation will not interfere with the investigation of the Commissioner of Children and Families or the local law enforcement agency.
- c) The Superintendent shall coordinate investigatory activities in order to minimize the number of interviews of any child or student victim of sexual assault and share information with other persons authorized to conduct an investigation of child abuse or neglect, as appropriate.
- d) Any person reporting child abuse or neglect or the sexual assault of a student by a school employee, or having any information relevant to alleged abuse or neglect or of the sexual assault of a student by a school employee, shall provide the Superintendent with all information related to the investigation that is in the possession or control of such person, except as expressly prohibited by state or federal law.
- e) When the school district is conducting an investigation involving suspected abuse or neglect or sexual assault of a student by an employee of the Board or other individual under the control of the Board, the Superintendent’s investigation shall include an opportunity for the individual suspected of abuse, neglect or sexual assault to be heard with

respect to the allegations contained within the report. **POLICY REGARDING STUDENTS AND
SECTION 504 OF THE REHABILITATION ACT OF 1973 AND
TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990**

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) prohibits discrimination against individuals with a disability in any program receiving Federal financial assistance. Similarly, Title II of the Americans with Disabilities Act of 1990 (“Title II” or “ADA”) prohibits discrimination against individuals with a disability by state and local governments. To be protected under Section 504 and the ADA (“collectively, “Section 504/ADA”), an individual must (1) have a physical or mental impairment that substantially limits one or more major life activities; (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

In order to fulfill its obligation under Section 504/ADA, the Ashford Public Schools recognize a responsibility to avoid discrimination in policies and practices regarding its personnel, students, parents/guardians and members of the public who participate in school sponsored programs. In this regard, the Ashford Public Schools prohibit discrimination against any person with a disability in any of the services, programs or activities of the school system.

The school district has specific responsibilities under Section 504 to identify, evaluate and provide an educational placement for students who have a physical or mental impairment that substantially limits a major life activity. The school district’s obligation includes providing access to a free appropriate public education (“FAPE”) for students determined to be eligible under Section 504/ADA. Under Section 504, FAPE is defined as the provision of regular or special education and related services that are designed to meet the individual educational needs of a student with a disability as adequately as the needs of students without disabilities are met, and that are provided without cost (except for fees imposed on nondisabled students/parents).

If the parent/guardian of a student disagrees with the decisions made by the professional staff of the school district with respect to the identification, evaluation or educational placement of his/her child, the parent/guardian has a right to request an impartial due process hearing.

In addition, a student or parent/guardian of a student may also file an internal grievance/complaint on these issues or any other type of discrimination on the basis of disability by or within the district by utilizing the grievance/complaint procedures outlined in the Board’s Administrative Regulations Regarding Students and Section 504 of Rehabilitation Act of 1973 and Title II of Americans with Disabilities Act, and/or may file a complaint with the Office for Civil Rights, U.S. Department of Education (“OCR”):

**ADMINISTRATIVE REGULATIONS REGARDING STUDENTS
AND SECTION 504 OF THE REHABILITATION ACT OF 1973
AND TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990**

[The following administrative procedures are not part of the Section 504/ADA policy. However, because school districts are required by law to have procedures related to § 504 complaints, this model is included for your convenience. Reference to ADA is also included in these regulations because there is overlap between § 504 and the ADA.]

Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If the complaint is made verbally, the individual taking the complaint will reduce it to writing.
- B. At any time, when a complaint involves discrimination that is directly related to a claim regarding the identification, evaluation or educational placement of a student under Section 504, the complainant may request that the Section 504/ADA Coordinator submit the complaint directly to an impartial hearing officer and request a hearing in accordance with Section III.D. Complaints regarding a student's rights with respect to his/her identification, evaluation or educational placement shall be addressed in accordance with the procedures set forth below in Section III.
- C. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperating in the investigation of a complaint. The district will take necessary actions to prevent retaliation as a result of filing a complaint or the participation in an investigation of a complaint.

[NOTE: Districts should note that Section 504 does not provide a statute of limitations for filing grievances/complaints with the district. We recommend that districts encourage prompt reporting by suggesting that complaints be filed within thirty (30) school days in order to facilitate timely resolution of potential disputes.]

- D. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Superintendent who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures.
- E. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.

 - 1. The name of the complainant;
 - 2. The date of the complaint;
 - 3. The date(s) of the alleged discrimination;
 - 4. The names of any witnesses or individuals relevant the complaint;
 - 5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
 - 6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

- G. Upon receipt of the complaint, the individual investigating the complaint shall:
 - 1. Provide a copy of the written complaint to the Superintendent of Schools;

The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify how the district will remedy any identified violations of Section 504/ADA;

7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, complainant will receive notice and interim measures may be implemented as necessary (see subparagraph 6);
8. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination.
9. In the event the investigator concludes that there is no violation of Section 504/ADA, the district may attempt to resolve the complainant's ongoing concerns, if possible.

H. If the complainant is not satisfied with the findings and conclusions of the investigation, the complainant may present the complaint and written outcome to the Superintendent for review and reconsideration within thirty (30) calendar days of receiving the findings. This process provides an opportunity for the complainant to bring information to the Superintendent's attention that would change the outcome of the investigation. In submitting the complaint and written outcome for review, the complainant must explain why he/she believes the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the complainant, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and complainant, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the complainant of his/her decision within ten (10) school days following the receipt of the written request for review.

[School districts are required by law to provide notice of parent/student rights under § 504. Reference to ADA is also included in this notice because there is overlap between § 504 and the ADA. This suggested notice is not part of the model policy, but must be disseminated annually to parents. We recommend inclusion of this notice within your student handbook.]

ASHFORD PUBLIC SCHOOLS

NOTICE OF PARENT/STUDENT RIGHTS UNDER SECTION 504 OF THE REHABILITATION ACT OF 1973 AND TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) is a non-discrimination statute enacted by the United States Congress. Section 504 prohibits discrimination on the basis of disability by recipients of federal funds. Title II of the Americans with Disabilities Act (“ADA” or “Title II”) also prohibits discrimination on the basis of disability by state and local governments. To be protected under Section 504 and the ADA (“collectively, “Section 504/ADA”) as an individual with a disability, an individual must (1) have a physical or mental impairment that substantially limits one or more major life activities; (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

Under Section 504, the school district has specific responsibilities to identify, evaluate and provide an educational placement for students with a disability. The school district’s obligation includes providing such eligible students a free appropriate public education (“FAPE”). Section 504 defines FAPE as the provision of regular or special education and related services that are designed to meet the individual educational needs of a student with a disability as adequately as the needs of students without disabilities are met, and that are provided without cost (except for fees imposed on nondisabled students/parents).

A student is eligible for regular or special education and related services under Section 504 if it is determined that he/she has a mental or physical disability that substantially limits one or more major life activity such as (but not limited to): caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working. A major life activity may also include the operation of a major bodily function, such as an individual’s immune, digestive, respiratory or circulatory systems.

A student can have a disability and be covered by Section 504/ADA even if he/she does not qualify for, or receive, special education services under the IDEA.

The purpose of this notice is to provide parents/guardians and students 18 years of age or older with information regarding their rights under Section 504. Under Section 504, you have the right:

1. To be informed of your rights under Section 504;

2. To have your child take part in and receive benefits from the Ashford School District's education programs without discrimination based on his/her disability.
3. For your child to have equal opportunities to participate in academic, nonacademic and extracurricular activities in your school without discrimination based on his/her disability;
4. To be notified of decisions and the basis for decisions regarding the identification, evaluation, and educational placement of your child under Section 504;
5. If you suspect your child may have a disability, to request an evaluation, at no expense to you and to have an eligibility determination under Section 504 (and if eligible, placement decisions made) by a team of persons who are knowledgeable of your child, the assessment data, and any placement options;
6. If your child is eligible for services under Section 504, for your child to receive a free appropriate public education (FAPE). This includes the right to receive regular or special education and related services that are designed to meet the individual needs of your child as adequately as the needs of students without disabilities are met;
7. For your child to receive reasonable accommodations and services to allow your child an equal opportunity to participate in school, extra-curricular and school-related activities;
8. For your child to be educated with peers who do not have disabilities to the maximum extent appropriate;
9. To have your child educated in facilities and receive services comparable to those provided to non-disabled students;
10. To review all relevant records relating to decisions regarding your child's Section 504 identification, evaluation, and educational placement;
11. To examine or obtain copies of your child's educational records at a reasonable cost unless the fee would effectively deny you access to the records;
12. To request changes in the educational program of your child, to have your request and related information considered by the team, a decision made by the team, and if denied, an explanation for the team's decision/determination;
13. To request an impartial due process hearing if you disagree with the school district's decisions regarding your child's Section 504 identification, evaluation or educational placement. The costs for this hearing are borne by the local school district. You and the student have the right to take part in the hearing and to have an attorney represent you at your expense;

14. To file a local grievance/complaint with the district's designated Section 504/ADA Coordinator to resolve complaints of discrimination including, but not limited to, claims of discrimination directly related to the identification, evaluation or placement of your child; and
15. To file a formal complaint with the U.S. Department of Education, Office for Civil Rights.
