

Ashford School News and Happenings

A Note from Troy Hopkins, Principal

Students at Ashford School are fortunate to be able to interact with and contribute to the larger community while learning in unique ways. Former students, community organizations, and career professionals all show an interest in and commitment to our students. We appreciate all of these partnerships and look forward to building even more.

Thursday, May 11th, students in grades 3–5 spent the day outside enjoying SWINGS. The SWINGS program is about developing and using collaboration skills in navigating physical and logical challenges. SWINGS is a fun-filled day with Ashford School alumni volunteering their time to lead activities and be positive role models for our students.

Saturday, April 29th, students from Ashford School teamed up with role models from ECSU. They provided community service to various locations across the town of Ashford, including the Earl W. Smith Senior Center, Ashford School and Ashford Memorial Park.

The 2nd annual Career Fair was held Friday, May 5th. This year seventeen different careers were represented. Grades K–8 visited the fair with the focus on how their learning relates to real world jobs.
