Call To Order

Board Chair J. Lippert called the meeting to order at 7:05 pm. Present were members S. Gamache, J. Urban, L. Donegan, K. Warren, J. Calarese and M. Matthews (7:08pm). Also present were Superintendent Dr. J. Longo, Business Manager L. Dyer, Principal T. Hopkins and recording secretary J. Barsaleau. Audience present: R. Haeger and AEA co-president J. Horn.

<u>Motion</u> made by J. Lippert to add two items to the agenda New Business, 7a. Certified Staff Appointment, and 7b. Discussion of Paraprofessional Staffing. Motion seconded by K. Warren and carried unanimously.

Communications

A letter was received from EASTCONN offering a seat on the board of director's for a member of the Ashford BOE. J. Calarese read an email communication that he wrote to members of the CT Association of Schools (CAS) visiting committee thanking them for their time and consideration of Troy Hopkins candidacy as "Principal of the Year". The Class of 2018 requested the BOE consider placing an advertisement in the yearbook.

<u>Motion</u> made by L. Donegan to place an advertisement in the Class of 2018 Yearbook, motion seconded by K. Warren and carried unanimously.

Opportunity for Public Comment

R. Haeger congratulated Mr. Hopkins on his nomination for Principal of the Year. She had some questions about the CORR space renovations and if there was enough money in the unexpended funds account to cover the cost of the project, and how does that fund work? Dr. Longo responded to her questions and reviewed the completed phases of this project and what remains to be done. He then explained that some unexpended funds remain at the end of the fiscal year to cover unanticipated expenses that may come late in the year. Funds confirmed as unexpended following audit move to the BOE unexpended funds account. To utilize the funds, a formal request must be made to the BOF and the funds can only be used toward items listed on the BOE's five-year capital plan.

Approval of Minutes: 02/15/2018; 03/29/2018

<u>Motion</u> by K. Warren to approve the regular meeting minutes of 02/15/2018, with an amendment to the 7th sentence under "Communications." The word "Town" should be stricken and replaced with "capital improvements committee." Motion seconded by J. Urban and carried with one abstention (J. Calarese).

<u>Motion</u> made by J. Calarese to approve the special meeting minutes of 03/29/2018. <u>Motion</u> seconded by S. Gamache and carried with three abstentions (K. Warren, L. Donegan, M. Matthews)

District Reports (Superintendent, Business Manager, Director of Pupil Personnel)

Superintendent

Dr. Longo reported he met with the co-presidents of the AEA, a teacher and our state CT Education Association representative to discuss the Voluntary Early Retirement Incentive Plan discussed at the last meeting. The union made a counter proposal to the VERIP, increasing the incentive from \$12,000 to \$15,000 and extending the deadline date by 3 days to 4/12/18. Dr. Longo recommends the Board act to approve these changes.

<u>Motion</u> made by L. Donegan to increase the early retirement incentive to \$15,000 as recommended and to extend the deadline date to 4/12/18. Motion seconded by J. Calarese and carried unanimously.

Dr. Longo reviewed the first draft of the Friar & Associates capital improvement plan (CIP) documents. Discussion followed concerning the committee that was to be formed to solicit architects. M. Matthews said she would follow up with Mr. Zambo.

The recent custodial vacancy was posted internally as required by contract. Jason Link who is currently the 20-hour custodian expressed interest in the vacancy. Dr. Longo recommends appointment of this candidate.

<u>Motion</u> made by J. Calarese to appoint Jason Link to the 32-hour custodial vacancy. Motion seconded by L. Donegan and carried unanimously.

The 20-hour vacancy created by this appointment will be posted internally. MEUI negotiations will begin 4/26/18. Dr. Longo would like to create a small committee to create a bridge between Ashford School and Ashford's senior citizens. Ideas were discussed, such as the seniors having lunch here, reading to our students, students personally inviting the seniors to events and transporting students to the senior center. Dr. Longo feels we have been remiss in not connecting with this important group of citizens. Ms. Gamache will represent the board on the committee. Dr. Longo and Mr. Hopkins will reach to the director of the senior center to discuss this further.

Business Manager

Mrs. Dyer distributed the year to date expenditure report dated 4/5/2018 and a list of requested budget transfers dated 4/5/2018. Year-end projections will be provided for the next meeting. Currently, there is a balance remaining of \$81,869.81, however, building and fleet maintenance encumbrances have not yet been applied. Transfers were reviewed.

<u>Motion</u> made by J. Urban to approve quarterly budget transfers of \$80,001, as presented. Motion seconded by K. Warren and carried unanimously.

Mrs. Dyer reported there is a shortfall of approximately \$105,000 in outplacement tuition. Following the approval of the BOE's FY18 budget, it was necessary to outsource two students. As has been past practice, the BOF requests they be notified of such situations. Some of the costs associated with these outplacements have been absorbed into the budget wherever possible.

<u>Motion</u> made by J. Calarese to provide written notification to the Board of Finance concerning a budget shortfall in special education outplacement tuition. Motion seconded by K. Warren and carried unanimously.

Brief discussion followed concerning the BOE's budget process timeline. This will be discussed at the annual BOE retreat.

Administrative Reports (Principal, Asst. Principal)

Principal

Mr. Hopkins expressed his appreciation to everyone who participated in the Principal of the Year visit this past week; he was overwhelmed by everyone's support. Ashford School has received notification that teacher Kellie Gauvin was chosen to receive a grant by "Fund for Teachers." Mrs. Gauvin will be traveling to Italy this summer. Ashford teachers Katie Knecht and Kate Craven have been named as recipients of National Geographic Fellowships. Mrs. Knecht will be traveling to the Galapagos Islands and Mrs. Craven will spend 24 days in Antarctica. There are only 40 fellows named annually and it is incredible honor for Ashford to have received two awards of this magnitude.

Assistant Principal

Mr. Dukette's report was distributed and discussed.

New Business

a. Certified Staff Appointment

Dr. Longo recommended the appointment of Alicia Spakowski to the position of School Psychologist, effective at the commencement of the 2018-2019 school year.

<u>Motion</u> made by L. Donegan to appoint Alicia Spakowski to the position of School Psychologist effective at the start of 2018-2019 school year. Motion seconded by J. Urban and carried unanimously. b. Discussion of Paraprofessional Staffing

Ashford Board of Education Meeting May 3, 2018 Superintendent's Report

Some Things To Think About....

- Dates for the BOE Summer Retreat
- Goals, Mission, Vision
- Capital Projects Priorities
- Meetings with Other Boards
 - Three-Board Meeting
- Budget timelines for 2019-2020 Budget Development
- Seniors and School Partnership Teaming up with Ashford Seniors

2017-2018 Budget –Current Status

As a result of two student outplacements that occurred after the budget was formulated, we have been facing a shortfall in our special education budget. As is required by our procedures, I notified the BOE and then the Board of Finance of the potential for a special education budget shortfall. We discussed various ways to deal with the shortfall at a Board of Finance meeting. It was decided to wait until late May to see what the excess cost reimbursement, if any, from the state turns out to be, and to look to our budget to find funds that could be redirected to help offset the shortfall. I also indicted that there were some restrictions on how we could tap into regular education funds, but that I would seek clarification on that matter. We should, and will have a legal opinion for future reference, as well as for the BOF. Since I became aware of the possibility of a special education budget deficit, I have frozen discretionary spending and asked Lisa to find underspent lines to transfer and cover the anticipated shortfall. At this point she has completed the special education budget review and has a list of transfers for this BOE meeting. After taking all reasonable actions, such as covering some expenses with grants, freezing our budget, and postponing some purchases until next year, it appears at this time, barring any further unforeseen issues, we will be able to cover the matter internally and not require any supplementary funding from the town. We will have a better understanding of our status by the beginning of June when the state money has arrived and the results of our budgetary actions are all evident.

Principal of the Year Recognition

The fact that Troy Hopkins is Connecticut's Principal of the Year is significant and should be recognized formally before the end of the school year. I do not yet know what the awarding organization has planned or when their ceremony will be, but I will inform you once I find out. I have heard several very good ideas for our local recognition ceremony and I am open to ideas from the BOE.

Regional World Language Teacher of the Year

We also have the honor of having our Spanish teacher, Rebecca Aubrey, named the Northeast Conference on the Teaching of Foreign Language Teacher of the Year. She is one of five national recipients, and is now being considered for the National Foreign Language Teacher of the Year award. We might want to consider combining our two recipient ceremonies and recognize them together as both are significant awards.

Energy Savings

One of the most significant ways we use power is in school lighting. We are embarking on a project to replace current light bulbs with LED Bulbs. We will do this as budget allows.

Long-Range Planning Committee Meeting in June

We need to meet to develop our new Capital Projects Priority List order utilizing the Friar & Associates report and BOE concerns.

As has been the Board of Education's practice, upon receipt of a new school bus that is anticipated in the late summer or fall of 2018, a current fleet vehicle will be removed from service at the end of this school year.

The fleet mechanic, Seth Lyman, and the transportation coordinator, Joan Celotti, have discussed the condition of full sized buses that are in service at this time, and have determined that Bus #5, a spare, will be removed from service.

The board needs to make a motion to decommission that vehicle from active service as of July 1, 2018.

Dear District Contacts for Healthy Food Certification (HFC):

The information below clarifies the requirements for the annual HFC vote by the board of education or school governing authority, which must occur by **July 1, 2018**, to be eligible for HFC participation during school year 2018-19.

The HFC application steps are summarized in the "Apply" section of the HFC webpage and in Operational Memorandum No. 4-18: *Process for Submitting the Healthy Food Certification (HFC) Statement for School Year 2018-19,* which was distributed to schools on February 14, 2018.

Please be sure that your district's HFC vote addresses both issues below, as outlined in the CSDE's handout, *Exemptions for Foods and Beverages in Public Schools.* Maintain a copy of the meeting minutes indicating the results of both HFC votes. The authorized signer will upload this information to the CSDE's CNP System in May 2018, when the online HFC application module is available.

1. **Healthy Food Option:** The board of education or school governing authority for each public school that participates in the National School Lunch Program (NSLP) must vote "yes" or "no" on whether to implement the healthy food option.

Sample Language for Healthy Food Option: Pursuant to C.G.S. Section 10-215f, the board of education or governing authority certifies that all food items offered for sale to students in the schools under its jurisdiction, and not exempted from the Connecticut Nutrition Standards published by the Connecticut State Department of Education, will comply with the Connecticut Nutrition Standards during the period of July 1, 2018, through June 30, 2019. This certification shall include all food offered for sale to students separately from reimbursable meals at all times and from all sources, including but not limited to, school stores, vending machines, school cafeterias, and any fundraising activities on school premises sponsored by the school or by non-school organizations and groups.

2. **Exemption for Food Items:** If the board of education or governing authority votes "yes" for the healthy food option, the board of education or governing authority must also vote "yes" or "no" on whether to allow food exemptions.

Sample Language for Exemption for Food Items: The board of education or governing authority will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the food items are not sold from a vending machine or school store. An "event" is an occurrence that involves more than just a regularly scheduled practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events but soccer practices, play rehearsals, and debate team meetings are not. The "regular school day" is the period from midnight before to 30 minutes after the end of the official school day. "Location" means where the event is being held.

Information on Beverages

Note: C.G.S. Section 10-221q addresses requirements for the sale of beverages to students in public schools, and allows exemptions if beverage sales meet specific conditions. Beverage exemptions are **not** part of the annual HFC Statement, which applies only to food sales. If the district chooses to allow beverage exemptions, the CSDE recommends that the board of education or school governing authority conducts the vote on beverage exemptions at the same time as the vote on HFC participation and food exemptions. Sample language for beverage exemptions is below.

Sample Language for Beverage Exemptions: The board of education will allow the sale to students of beverages not listed in Section 10-221q of the Connecticut General Statutes provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the beverages are not sold from a vending machine or school store. An "event" is an occurrence that involves more than just a regularly scheduled practice, meeting or extracurricular activity. The "school day" is the period from midnight before to 30 minutes after the end of the official school day. "Location" means where the event is being held, and must be the same place as the food sales.
