Board Chair J. Lippert called the meeting to order at 7:05 pm. Present were members J. Urban, K. Warren, J. Calarese (7:20 pm), and S. Gamache. Also present were Superintendent J. Longo and Asst. Communications

Everyone had received the CABE booklet on the new laws passed by the General Assembly for 2018.

Opportunity for Public Comment

- K. Johnston wanted to know where to send the survey for the EO Smith students from Ashford. They only received the surveys 2 days ago and her daughter didn't have time to finish it. She would like it on the agenda again.
- R. Haeger stated she was looking forward on having the BOE start a Curriculum Committee. She also wanted to have some clarity on why Principal Hopkins's title was changed. She also wanted an explanation on social literacy.
- S. Irvine stated that she was glad to see that the survey went out.

Dr. Longo stated that he could give them their answers further down on the agenda.

J. Lippert motioned to add to the agenda item 5d, New Business, to allow Dr. Longo to give explanations to the persons that spoke during public comment and J. Calarese seconded. Motion passed unanimously.

J. Calarese motioned to accept the minutes of the special meeting of June 28, 2018 and seconded by J. Urban. Passed unanimously.

New Business

a. Approval of FY 18 Year-End Budget Transfers

Lisa Dyer wants to table her report to the end of the month as PO's are still coming in from the vendors.

b. Board of Education Goals

In the future the Board wants to consider 3-year goals. Dr. Longo handed out some goals to be discussed at the retreat. The Board would like to see the bids for next year's capital projects.

c. Discuss Agenda for 8/2/18 Strategic Planning Meeting

Dr. Longo has invited Ann Littlefield, the Board's attorney, to speak at the beginning of the retreat.

d. Response to Questions from Public Comment

Principal's Title: Dr. Longo explained that by changing Mr. Hopkins' title to Principal/Asst. Supt. it would give him some experience working partly as a superintendent in case he ever wanted to leave his position at Ashford School and it will allow Dr. Longo to mentor him.

Social Literacy: Mr. Dukette stated that K-6 teachers are responsible for all subjects, with limitations due to time. In order to maximize efficiency and also support better student learning, Social Literacy combines reading instruction

with social studies. Both subjects are driven by the Common Core literacy standards so they work well together. In addition, Social Literacy provides the opportunity for students to read novels that are in context of what they are learning in social studies. For instance, if learning about Africa, students have a choice of novels about Africa. Research shows that extending learning beyond the subject and into other subjects better enables the learning to move into long-term storage. For grades 7-8, SS and ELA are still separate subjects but we are emphasizing as much interdisciplinary learning as possible.

Old Business

a. Student Survey Follow-up

Surveys were sent to all recent Ashford School graduates. The results of the survey will be given out at the BOE retreat on Aug. 2. K. Warren also wanted the surveys to go to Windham Tech and any other school Ashford students were attending.

b. Search Committee Update

Mr. Dukette gave a recap of the search committee process. The 1st round consisted of an interview and a writing component. Troy and I looked over the writing. Teachers Jen Lindsay, Darcy Compton, and Maureen Connolly, a student Shannon Connolly, Troy and myself were the interview committee. The entire committee agreed upon the same top two candidates to move to the second round. The second round consisted of a 30-minute algebra lesson focused on stations learning and differentiation. Observing the lesson were teachers Darcy Compton and Maureen Connolly, as well as Troy, Cindy, and me. In addition, we had six students, ranging from students entering 6th grade to students entering 9th grade. All students wrote reflections on the two candidates and voted on who they preferred. Helene Poppleton received the majority of the student votes (4-2). In addition, our committee unanimously selected her as our choice as well. I called all references and they were sterling. The search committee recommended Helene Poppleton for the middle school math position.

K. Warren motioned to accept Helene Poppleton to be the new middle school math teacher seconded by J. Urban. Motion passed unanimously.

c. BOE Curriculum Committee

J. Lippert stated that K. Warren mentioned to him that State Statue 10-220(e) requires the BOE to appoint a curriculum committee. The committee will consist of teachers, BOE members, and general public. Discussion was had that maybe people in the audience would volunteer at the retreat to serve on this committee once the BOE decides who and how many will be on the committee.

J. Lippert made a motion to add to the agenda under #8, salad bar, and move the rest of the agenda items down. Seconded by J. Calarese. Motion passed unanimously.

S. Gamache reported that there is a grant to get a free salad bar for the cafeteria. Discussion followed. She stated that it takes from 12-18 months from the time you apply for the grant to receive the salad bar. The cafeteria committee will meet before a BOE meeting with the janitor and kitchen crew.

Second Opportunity for Public Comment

K. Kouatly stated that she preferred a video of the BOE meetings. She also was concerned that there would be waste to the salad bar.

R. Haeger suggested having the salad bar for the upper grades only. With social literacy, she would like to see more on the student survey.

S. Irvine asked that in the future that the BOE explain what they are talking about because sometimes the audience doesn't know. She also suggested having pre-made salads then the students can have the protein added to it as they go through the line.

Next Meeting Date/Agenda Items

The next meeting is the BOE retreat on August 2 in the media center from 2pm to 7pm. Dr. Longo handed out a proposed agenda for the meeting. Discussion about live streaming or taping BOE meetings will be added to the agenda.

J. Urban motioned to go into executive session at 9:20 pm. for the Superintendent's evaluation and seconded by S. Gamache. Motion passed. Present were K. Warren, J. Lippert, J. Urban, J. Calarese and Dr. Longo. The BOE and Dr. Longo exited the executive session at 9:40 pm. The decision was to table Dr. Longo's evaluation until the retreat on Aug. 2.

K. Warren motioned to go into executive session at 9:42 pm for discussing a personnel matter and seconded by J. Urban. Motion passed. Present were K. Warren, J. Lippert, J. Urban, and J. Calarese. The BOE exited the executive session at 10:20 pm. No action taken.

Approval of Minutes: 07/19/18; 08/02/18

The minutes of 7/19/18 were tabled.

Motion by J. Calarese to approve the special meeting minutes of 08/02/18, seconded by L. Donegan and carried unanimously with the following amendments:

- 2nd line under STEAM and Project-Based Learning Report by Administrative Team, add letter “l” to read ...”project based learning as well as...” and same sentence the word “fir” should be “fit”.
- 21st line in same agenda item, the word publicly is misspelled.

New Business

a. Approval of FY 18 Year-End Budget Transfers

L. Dyer distributed a list of year-end budget transfers for review and board approval. Mrs. Dyer answered board member questions concerning some of the budget lines on the document including evaluations outsourced, outplacement tuition, plant equipment and technology subscriptions.

Motion made by J. Urban to approve the year-end budget transfers totaling \$66,788.01 as presented. Motion seconded by K. Warren and carried unanimously.

Mrs. Dyer left the meeting at 7:19 pm.

b. Staff Resignation

Dr. Longo received a notice of resignation from physical education and health teacher Brendan Gillotti who has taken a position in another district that is closer to his family.

Motion made by J. Calarese to accept the resignation of Brendan Gillotti. Motion seconded by L. Donegan and carried unanimously.

Dr. Longo noted that internal posting to members of the teacher’s union is required upon a certified staff resignation. As a result of this internal posting, a current special education teacher, Rob Ackerson, will be transferring to fill the physical education/health teacher vacancy. This leaves a vacancy in special education, which has been posted internally. There is a shortage of special education teachers and several vacancies in this area. A long-term sub is being considered to fill our vacancy given that school begins in two weeks.

c. Approval of School Medical Advisor

Dr. Longo reported that Ashford School would have a new school medical advisor this year. Dr. Peter McDermott of Mansfield Pediatrics will replace Dr. Kelly who had been our long-standing advisor.

Motion made by K. Warren to approve Dr. Peter McDermott as the School Medical Advisor for Ashford School. Motion seconded by L. Donegan and carried unanimously.

Mrs. Donegan suggested that going forward communication be made to families concerning seasonal illnesses that may be present in the school and spreading the word on illness prevention.

BOE Committee Worksessions (7:30pm – 8:15pm)

a. Personnel

The committee did not meet.

b. Building & Grounds

The committee did not meet. J. Calarese noted that to date there have been no additional meetings of the town’s capital committee. Dr. Longo met this week with Mike Sorano of Friar & Associates and an engineer concerning the CORR space and heating options for that space. The board needs to set its priorities in September before the town committee meets. The energy plan should be reviewed and plans made to address items that can be taken care of in the BOE budget. RFP’s for any future work must be posted in January 2019. Ms. Matthews, Mr. Calarese and Dr. Longo will meet to discuss these items.

Old Business

a. Discuss BOE Curriculum Committee

The committee needs to recruit parent and faculty volunteers before the committee can meet. Mr. Dukette asked for advanced notice as to which curricular areas the committee would review in order to give teachers the opportunity to attend. Ms. Matthews would like to begin with science. The goal is to have parent and faculty members seated by the next BOE meeting.

Next Meeting Date/Agenda Items

Curriculum committee follow up, Superintendent Evaluation document, Friar & Associates update, Cafeteria report and opening of school report by administration.

Second Opportunity for Public Comment

Mrs. Donegan requested as a parent, that fall sports tryout dates, forms and information be made available on the website and K12 Alerts before school begins. Also a reminder of bus rules and the new cafeteria recycling plans should be shared as well.

Motion to adjourn the meeting (7:56pm) made by J. Calarese, seconded by J. Urban and carried unanimously.

Good morning,

I am interested in serving on this Committee. I participate in School Improvement Planning every summer, and for the last three years I have chaired the school Curriculum Committee. Because I work with diverse grade levels, I have an awareness of what the curriculum looks like throughout the school. I feel that I can provide valuable contributions and insights to this Committee, and serve as a liaison between the BOA and the school.

Thanks,

Rebecca

Good morning,

I read in the BOE minutes that the first curriculum that the committee is going to review is Science. If this correct, I would really like to be part of the committee.

Thanks.

Dear Ms. Longo,

I hope you have enjoyed a wonderful summer break. It seems to have gone by extremely quickly. I saw the school newsletter item requesting parental volunteers for the new curriculum committee and wanted to contact you with my interest.

I'm not sure what additional information you need from me. Just for background, I am certified in secondary social studies/history by the State of CT, though I have not used my certification to teach within this age group. I instead work in UConn's First Year Programs office with international undergraduate students, but have still kept my certification valid. Prior to obtaining my education degree and certification, I worked in the international relations field and am interested in ensuring that my daughter (Nadia Haeryfar, going into 6th grade) and other Ashford students receive a more global understanding. I have been impressed by the project-based curriculum in 5th and 6th grade, and am looking forward to the 6th grade African project in which my daughter will be participating this coming year.

Please let me know if you need additional information from me. Thanks to you and the larger school system for offering this opportunity to parents.

Best wishes,
Sarah

Hi Mrs. Longo,
Could you let me know a little bit more about the committee that the BOE is looking for parent volunteers to sit on? Also, any idea when they might be meeting. The K-12 announcement just said several times per year. I may be interested in serving on the committee.

Thanks,

Heather

Hello Heather,
Thank you for your interest. The meeting dates have not been scheduled yet. The committee will be advisory in nature. It would meet about four times per year to discuss the overall curriculum of the school and how we would design our instruction. I will notify you when the first meeting is scheduled and you can decide if you want to come. The BOE will be discussing this at their meeting on September 6.

Thank You,

Dr. Longo
