New Business

a. Approval of FY 18 Year-End Budget Transfers

Lisa Dyer wants to table her report to the end of the month as PO's are still coming in from the vendors.

b. Board of Education Goals

In the future the Board wants to consider 3-year goals. Dr. Longo handed out some goals to be discussed at the retreat. The Board would like to see the bids for next year's capital projects.

c. Discuss Agenda for 8/2/18 Strategic Planning Meeting

Dr. Longo has invited Ann Littlefield, the Board's attorney, to speak at the beginning of the retreat.

d. Response to Questions from Public Comment

Principal's Title: Dr. Longo explained that by changing Mr. Hopkins' title to Principal/Asst. Supt. it would give him some experience working partly as a superintendent in case he ever wanted to leave his position at Ashford School and it will allow Dr. Longo to mentor him.

Social Literacy: Mr. Dukette stated that K-6 teachers are responsible for all subjects, with limitations due to time. In order to maximize efficiency and also support better student learning, Social Literacy combines reading instruction

with social studies. Both subjects are driven by the Common Core literacy standards so they work well together. In addition, Social Literacy provides the opportunity for students to read novels that are in context of what they are learning in social studies. For instance, if learning about Africa, students have a choice of novels about Africa. Research shows that extending learning beyond the subject and into other subjects better enables the learning to move into long-term storage. For grades 7-8, SS and ELA are still separate subjects but we are emphasizing as much interdisciplinary learning as possible.

Old Business

a. Student Survey Follow-up

Surveys were sent to all recent Ashford School graduates. The results of the survey will be given out at the BOE retreat on Aug. 2. K. Warren also wanted the surveys to go to Windham Tech and any other school Ashford students were attending.

b. Search Committee Update

Mr. Dukette gave a recap of the search committee process. The 1st round consisted of an interview and a writing component. Troy and I looked over the writing. Teachers Jen Lindsay, Darcy Compton, and Maureen Connolly, a student Shannon Connolly, Troy and myself were the interview committee. The entire committee agreed upon the same top two candidates to move to the second round. The second round consisted of a 30-minute algebra lesson focused on stations learning and differentiation. Observing the lesson were teachers Darcy Compton and Maureen Connolly, as well as Troy, Cindy, and me. In addition, we had six students, ranging from students entering 6th grade to students entering 9th grade. All students wrote reflections on the two candidates and voted on who they preferred. Helene Poppleton received the majority of the student votes (4-2). In addition, our committee unanimously selected her as our choice as well. I called all references and they were sterling. The search committee recommended Helene Poppleton for the middle school math position.

K. Warren motioned to accept Helene Poppleton to be the new middle school math teacher seconded by J. Urban. Motion passed unanimously.

c. BOE Curriculum Committee

J. Lippert stated that K. Warren mentioned to him that State Statue 10-220(e) requires the BOE to appoint a curriculum committee. The committee will consist of teachers, BOE members, and general public. Discussion was had that maybe people in the audience would volunteer at the retreat to serve on this committee once the BOE decides who and how many will be on the committee.

J. Lippert made a motion to add to the agenda under #8, salad bar, and move the rest of the agenda items down. Seconded by J. Calarese. Motion passed unanimously.

S. Gamache reported that there is a grant to get a free salad bar for the cafeteria. Discussion followed. She stated that it takes from 12-18 months from the time you apply for the grant to receive the salad bar. The cafeteria committee will meet before a BOE meeting with the janitor and kitchen crew.

Second Opportunity for Public Comment

K. Kouatly stated that she preferred a video of the BOE meetings. She also was concerned that there would be waste to the salad bar.

R. Haeger suggested having the salad bar for the upper grades only. With social literacy, she would like to see more on the student survey.

S. Irvine asked that in the future that the BOE explain what they are talking about because sometimes the audience doesn't know. She also suggested having pre-made salads then the students can have the protein added to it as they go through the line.

Next Meeting Date/Agenda Items

The next meeting is the BOE retreat on August 2 in the media center from 2pm to 7pm. Dr. Longo handed out a proposed agenda for the meeting. Discussion about live streaming or taping BOE meetings will be added to the agenda.

J. Urban motioned to go into executive session at 9:20 pm. for the Superintendent's evaluation and seconded by S. Gamache. Motion passed. Present were K. Warren, J. Lippert, J. Urban, J. Calarese and Dr. Longo. The BOE and Dr. Longo exited the executive session at 9:40 pm. The decision was to table Dr. Longo's evaluation until the retreat on Aug. 2.

K. Warren motioned to go into executive session at 9:42 pm for discussing a personnel matter and seconded by J. Urban. Motion passed. Present were K. Warren, J. Lippert, J. Urban, and J. Calarese. The BOE exited the executive session at 10:20 pm. No action taken.

An Act Waiving Any Penalties Imposed On A Board Of Education For Making Reductions To Its Budgeted Appropriation For Education As A Result Of Cuts To Its Education Cost-Sharing Grant For Fiscal Year 2018

This Act waives, for FY 18, the state penalty for violating the law prohibiting a town from reducing its budgeted amount for education, as long as the town meets certain criteria under the Act.

Current law prohibits a town from budgeting less for education than it did in the previous FY unless it can demonstrate specific changes within its school district (such as reduced student enrollment). This prohibition is commonly referred to as the minimum budget requirement (MBR).

The Act waives the state penalty for violating the MBR for FY 18 if a town meets the following requirements:

1. the town's FY 18 equalization aid (i.e., education cost sharing (ECS)) grant was reduced due to (a) reductions in allotments (i.e., to achieve unallocated budgeted lapses and targeted savings in the General Fund) authorized in the budget act (PA 17-2, June Special Session, §§ 13 and 14) or (b) withholdings or reductions in state assistance to help pay for rental rebate assistance (CGS § 12-170f(d), as amended by PA 17-4, June Special Session, § 25) and
2. the town subsequently reduced its FY 18 budgeted appropriation for education in an amount up to the reduction in its ECS grant.

The Act prohibits the State Board of Education (SBE) from making a determination that such a town failed to meet the MBR requirements, and SBE cannot require the town to forfeit its ECS grant in an amount equal to two times the reduction.

An Act Concerning School Counselors

This Act adds "school counselor" to every state law that currently mentions "guidance counselor." While neither "school counselor" nor "guidance counselor" is defined in state law, in practice SDE currently issues a school counselor special services certificate endorsement and no longer issues a guidance counselor endorsement. The department continues to recognize the guidance counselor endorsement. Specifically, the Act adds school counselors to the following situations:

1. membership on the committee to coordinate the education of middle school and high school students about manufacturing careers (§ 1);
2. the State Department of Education's (SDE) program to introduce students, parents, and counselors to manufacturing careers (§ 2);
3. the definition of "mental health professionals" for statutes governing school-based primary mental health programs (§ 3);
4. the list of school employees who can attest on a student's public school withdrawal form that the school district provided the student's parent with information on the educational options available in the school system and community (§ 4);
5. membership on district and school attendance review teams (§ 5);
6. the definition of "school employee" for the statute that requires board of education policies prohibiting school employees from (a) preventing a student from participating in physical exercise during the school day as a form of punishment and (b) requiring any kindergarten through grade 12 student to engage in physical activity during the school day as a form of discipline (§§ 6 & 7);

7. the definition of “school employee” for statutes governing safe school climate plans (§ 8);
8. the listing of individuals to be assisted by the Office of Higher Education in becoming better informed about matters concerning student financial assistance affairs (§ 9);
9. the definition of “counselor” for statutes governing abortions for minors (§ 10);
10. the list of professionals required to report suspected abuse or neglect of individuals who have an intellectual disability or receive autism spectrum disorder services (§ 11);
11. the definition of “school employee” for statutes governing sex offenses (§ 12); and
12. the list of professionals to whom a victim may disclose a personal injury and thereby be entitled to compensation through the Office of Victim Services or a victim compensation commissioner (§ 13).

Beginning July 1, 2018, this Act transfers legal authority from the Department of Children and Families (DCF) to the judicial branch over any child who was committed to DCF as a delinquent pursuant to a juvenile court order entered before that date. The branch's Court Support Services Division (CSSD) must, in turn, assume responsibility for supervising the children and may exercise its powers, duties, and functions to provide such supervision (§ 8).

Under existing law, the juvenile court is prohibited, starting July 1, 2018, from committing a child to DCF as a result of a delinquency adjudication. Existing law also (1) establishes a one-year transition period, from July 1, 2018 to January 1, 2019, during which the judicial branch may place a child convicted as delinquent in a DCF-operated congregate care setting or order the child to receive community-based DCF services and (2) requires the agencies to enter into an agreement that (a) allows the judicial branch to use these settings and services and (b) requires it to pay DCF for their use (PA 17-2 June Special Session (JSS) (§§ 321 & 323)).

The Act also makes numerous other changes to the juvenile justice statutes. Principally, it:

6. deems any child transferred from DCF to CSSD under the Act to be on probation for a period no longer than his or her remaining delinquency commitment to DCF as of June 30, 2018, and requires the court to review and, if appropriate, modify the probation conditions (§ 8); sets forth the court's authority to modify or enlarge conditions of probation, and provides for a probation status review hearing and the detention of a child (§37);
7. allows the Department of Corrections (DOC) to transfer an inmate under age 18, to CSSD under certain conditions, instead of allowing it to transfer such an inmate to DCF as under current law (§ 23);
8. limits and modifies the ways that a juvenile court may dispose of a delinquency adjudication and adds to the factors the court must consider when making a disposition (§ 36);
9. modifies the probation conditions the court may order, allows a juvenile probation supervisor's designee to establish the term of non-judicial supervision for a juvenile for whom the court entered a non-judicial disposition, and makes various other changes to laws related to juvenile probation (§§ 25, 31, 23, 32, 36-38);

13. modifies various juvenile justice system goals (§ 28);

14. permits the judicial branch to contract to establish secure residential facilities and requires it to develop a continuum of community-based programs (§ 29);

16. limits the circumstances in which DCF employees may have access to juvenile court records and adds to the records of delinquency proceedings that must be disclosed to the DMV commissioner (§ 30);

17. designates the chief court administrator or his designee, instead of the DCF commissioner or her designee, as administrator of the Interstate Compact for Juveniles (ICJ) (The compact enables states to transfer a juvenile's supervision between states and return a runaway juvenile to his or her home state) (§§ 9 & 18);

18. eliminates as possible qualifications for members of the state Advisory Council on Children and Families that the member (a) represent young people, parents, and others interested in delivering juvenile justice services or (b) is a parent, foster parent, or family member of a child who has received or is receiving juvenile justice services (§ 17);

19. eliminates a requirement that a law enforcement officer who arrests a youth for prostitution report suspected abuse or neglect to DCF (§ 33);

20. specifies that, as required under existing law, CSSD and other state agencies must develop a community-based diversion system and school-based diversion plan (§§ 1 & 2);

21. makes numerous changes to conform with the transferred responsibility for children adjudicated delinquent from DCF to CSSD by eliminating references throughout the Act to (a) children committed to DCF for delinquency and (b) the Connecticut Juvenile Training School (CJTS), which was a DCF-run secure detention facility for juveniles that permanently closed in April 2018 (§§ 10-14, 16, 18, 19, 21-22 & 35);

22. repeals several provisions pertaining to DCF responsibility for juveniles adjudicated delinquent, CJTS, and certain CSSD responsibilities (§ 43);

23. makes minor, technical, and conforming changes (§§ 26, 34, & 39-42).

This Act requires the State Board of Education, upon receipt of a proper application, to issue a “military spouse teacher permit” to certain military spouses who have taught for at least two years under an appropriate certificate issued by another state, the District of Columbia, a U.S. territory or possession, or Puerto Rico. 2. is valid for three years; and
3. may be renewed by the Education commissioner for good cause upon the request of the superintendent for the school district employing the teacher.

The Act also exempts certain military spouse teacher permit applicants from state law's requirement to complete a course of study in special education, if they can demonstrate equivalent knowledge in a manner prescribed by the commissioner. This exemption applies to applicants who successfully completed a teacher preparation program or an alternate route to certification program in, and hold an appropriate certificate issued by, another state, the District of Columbia, a U.S. territory or possession, or Puerto Rico.

This Act makes the following changes in the education statutes:

4. creates a process to exempt small school districts from enrolling as Medicaid providers and other related state requirements (§ 15);
5. extends youth service bureau grant eligibility to bureaus who applied for grants in FY 18 (§ 1);

An Act Implementing The Recommendations Of The Auditors Of Public Accounts Concerning Private Providers Of Special Education

This Act requires, starting July 1, 2019, a local or regional board of education to have a written contract, instead of an agreement as under current law, with a private special education provider in order to receive a state reimbursement grant for special education costs (known as the excess cost grant). Under the excess cost grant program, the state reimburses a board when the cost of a student's special education services exceed four and a half times the average per pupil educational cost of that school district.

The Act requires that any agreements entered into or amended on or after July 1, 2018 but before June 30, 2019 and any contract entered into or amended on or after July 1, 2019 must include an explanation of how the provider's tuition or costs for services provided are calculated. It makes the same change to the current law's requirements that districts must follow when they choose to enter into a contract for private special education services.

The Act also requires the State Department of Education (SDE) to develop standards and a process for documenting special education services provided by private providers that includes the use of standard forms or other electronic reporting systems.

It also requires any private provider providing special education services for a local or regional board of education to annually submit its operating budget to SDE.

Lastly, the Act also makes other minor, conforming, and technical changes.

The Act requires SDE, in conjunction with the Department of Public Health (DPH), to revise, review, and update its guidelines for managing students with life-threatening food allergies and glycogen storage disease. It additionally requires SDE to update its health and physical education curriculum standards and apply for external funding to raise public awareness about food allergies.

The Act requires school transportation carriers to provide training in identifying and appropriately responding to severe allergic reactions to all school bus drivers, not later than June 30, 2019. Finally, the Act extends the protections of the "Good Samaritan" law to cover school bus drivers rendering certain emergency first aid in response to a student's allergic reaction.

Ashford Board of Education
Special Meeting Minutes – June 28, 2018
7:00 p.m.

Ashford School District Office Conference Room

Note: Per C.G.S. §10 – 218, Board of Education meeting minutes are provided in a draft format within 48 hours of the date the meeting was held. With the exception of motions and votes recorded, these minutes are unofficial until they have been read and approved by a majority vote of the Board. Should edits be necessary, they will be made at a regularly scheduled meeting, noted in the meeting minutes, and so voted upon.

Call To Order

Board Chair J. Lippert called the meeting to order at 7:07 pm. Present were members J. Urban, K. Warren, M. Matthews (7:10), S. Gamache, L. Donegan and J. Calarese. Also present was Superintendent Dr. J. Longo, Principal T. Hopkins (7:14), Asst. Principal G. Dukette and recording secretary J. Barsaleau. Present in the audience were AEA members J. Lindsay and J. Horn, R. Haeger, L. Fontaine, K. Johnston and K. Kouatly.

Communications

- Mr. Lippert noted Troy Hopkins and Rebecca Aubrey were featured in the *EASTCONN Connections* publication. A letter was received from CABE acknowledging Ashford's membership for the coming school year. Dr. Longo shared that he has just received notice from CABE that Ashford School's "Day of the Dead Wax Museum" and "Space Adventures" have been chosen for display at the CABE/CAPSS convention in November.
- Mrs. Gamache read and distributed final results of a student survey concerning recycling and foods choices in the cafeteria.
- Mr. Lippert thanked members of the business and administrative staff for keeping both he and town officials informed of school and district events via email communication.

Opportunity for Public Comment

- Rebecca Haeger suggested again the board consider televising or recording its meetings to allow people who cannot attend the meetings to have access. She expressed "heartbreak" over the departure of Mrs. Backhaus and concerned about the loss of experienced middle school personnel. They do more than teach, they prepare our students for high school. She asked about social literacy and project based learning and if it is relative to high school? She asked for follow up on the status of a previously discussed survey and plans for grade level Spanish instruction.
- Kim Kouatly echoed some of the same statements as Mrs. Haeger. She is concerned about student preparation for middle and high school. She stated that project based learning (PBL) is a lot of work not only for the kids, but also for parents and teachers. She feels with PBL, they are missing lots of time going toward high school, and research and study skills are lacking.

Approval of Minutes: 06/07/2018

Motion made by K. Warren to approve the regular meeting minutes of 06/07/2018 with the following amendments:

- ***Communications – correct the spelling of the last name "Copozziello" to Capozziello.***
- ***Second Opportunity for Public Comment – 4th bullet point, delete the apostrophe in the word "it's".***
- ***Second Opportunity for Public Comment – revise the first sentence of the last paragraph to read as follows: "Dr. Longo agreed with Mrs. Haeger's concerns that the library has been neglected".***

Motion seconded by L. Donegan and carried with two abstentions (J. Calarese , L. Donegan).

Year-End District and Administrative Report

This report was included in the agenda packet. Dr. Longo asked if there were any questions or comments.

- Mrs. Urban inquired about the status of the freshman student survey that was to be distributed by E.O Smith. Mr. Hopkins reported that the survey is on hold. Administrators from the other Region 19 sending towns were hesitant to launch a survey without input from all principals the region.
- Members engaged in debate about project based learning versus more traditional instruction. Mrs. Donegan felt there should be more focus on reading and math, noting there isn't much PBL in high school, and there should be more emphasis on necessary skills for high school. Ms. Matthews replied that although the high school may follow a more traditional model, it does not mean we have to.

- Dr. Longo stated that while PBL may appear to be new, it is not. What began as interdisciplinary instruction in the 60's has evolved over time with many different names; but the content is the same. He has participated in joint meetings attended by superintendents and corporations. Corporations are seeking employees with transferrable skills, people who are socially adjusted and can work together. We are not trying to diminish content, but rather maintain content and deliver instruction in a manner involving real life skills.
- Mr. Dukette spoke about the April professional development where differing methods of learning was discussed. While our middle school teachers are caught between middle school and junior high, we have a relatively balanced system. Change takes time.
- Mrs. Donegan expressed the need for a math teacher that is equally as good as Donna Backhaus. Mr. Lippert added that our current search committee process has been successful and the BOE's only concern is getting the best candidate.

a. Distribute Business Manager's Report

Mrs. Dyer's report was included with the agenda packet. Any questions or comments about the report should be emailed to Mrs. Dyer.

BOE Subcommittee Worksessions (Approx. ½ Hour)

c. Personnel

Mr. Lippert noted that cafeteria and building & grounds subcommittees will meet together in conference room and the personnel subcommittee will meet in the superintendent's office. He will attend each meeting briefly.

The board meeting resumed at 8:53pm.

- Mrs. Gamache reported on the discussion of the cafeteria committee. The goal is to have the disassembly line in place before school begins. Other items discussed were composting, the value of recycling, and a school vegetable garden and possibly making premade salads available to more grade levels. No building and grounds matters were discussed. Ms. Matthews left the meeting at 8:27pm.
- Mrs. Donegan reported that the personnel committee discussed creating a standard practice of exit interviews with the BOE. The members of the personnel subcommittee recently held an informal with members of the AEA. It is a great way to communicate with teachers and these meetings will be held from time to time.

Mike Sorano of Friar & Associates was present to answer questions concerning Ashford School and the 10 capital improvement plan Friar has created as requested by the Board. Mr. Sorano indicated the overall condition of the school is good considering the age of the building and effective maintenance has helped that cause. Any further work in the CORR area space cannot be done until bid specs and an RFP are posted around the first of the year. The committee will meet again in August.

Next Meeting Date/Agenda Items

Survey of high school students, BOE curriculum committee, agenda for the 8/2/18 BOE Strategic Planning Meeting (formerly the Annual Retreat), follow up on math teacher search.

Second Opportunity for Public Comment

- Mrs. Haeger asked for clarification of the estimated amount of remaining funds for FY 18. Dr. Longo replied that the number in Mrs. Dyer’s report remains an estimate and he expects it to be less than \$20,000. She spoke the summer heat in some classroom, especially in the cafeteria asking if it is being monitored? Dr. Longo replied that large fans are being purchased for the cafeteria. Mrs. Haeger is encouraged by the commitment that stated to finding the best person to fill the math vacancy, commenting that all of our teachers are “phenomenal and the grade 7&8 teachers shine and go above and beyond.”
- Mrs. Kouatly said she was excited about the formation of a curriculum committee. She reiterated that kids learn differently and that PBL while great for some, it may not work for all. She suggested the BOE might consider offering childcare to allow people more freedom to attend meetings. She is concerned that three teachers have left this year and encourages that we keep an eye on why they are leaving.
- Mrs. Fontaine stated that classroom temperatures are excessive in the summer and noted the ineffectiveness of the windows in the primary wing.
