

Introduction:

It is our pleasure to welcome you and your child to First Grade. You will be amazed at how much your child will grow this year. This year will be full of new learning experiences and discoveries. We will build on past successes and learn many new things. You will watch your child grow into a reader and writer. You will see changes in your child's thinking, as he/she becomes familiar with abstract concepts and symbols. With our common focus on respect, responsibility, and pride your child will have endless opportunities to flourish as they learn, laugh and grow together.

Materials Required: Due to COVID-19, first grade teachers are asking that **in addition to a backpack and PE sneakers**, all students come with their own **personal pencil box stocked with:**

- thick markers
- crayons
- kid's scissors
- at least 5 pencils and an eraser
- 2 dry erase markers and eraser
- 4 glue sticks
- 2 wide-rule composition notebooks
- personal hand sanitizer
- labeled bag of spare clothes

These items will **not** be shared with others and you may be asked to restock your child's materials if they get low.

**Field Trips
(subject to change):**

EcoTarium
Hyde Center
