

COVID-19 TESTING

Federally funded COVID-19 testing for schools K-12

What is Operation Expanded Testing?

Operation Expanded Testing is a program supported and funded through the U.S. Department of Health and Human Services to provide COVID-19 testing to K-12 schools at no cost to the school. This program is being run by Affinity Empowering on behalf of Eurofins, a Clinical Enterprise company. Participation in this program is simple for schools and helps schools stay safer against the risk of COVID-19.

By participating in this program, schools will receive:

Implementation process for Operation Expanded Testing

1

Enrollment

You'll get immediate, real-time access to a user-friendly enrollment platform for easy setup.

2

Program Setup

An Affinity professional will walk your school or organization through setup, launch, and training to ensure a quick-to-launch and easy-to-run program.

3

Ready for testing

Affinity provides ongoing program management support every step of the way, with regular touchpoints and around-the-clock support.
