

ASHFORD SCHOOL
ATHLETIC TEAM PERMISSION FORM

We are happy to offer your child the opportunity to participate in interscholastic athletics. Being a part of a school team increases self-esteem and promotes a sense of community.

Participating in any athletic activity has the potential for injury. Precautions are taken to prevent accidents during practices and games. Our coaches all have current American Heart CPR/First Aid training. If medical or dental care is needed due to an injury sustained during a practice or a game, your child is covered by Ashford's supplemental accidental insurance, which covers any costs beyond your family medical insurance. In the event you do not have medical coverage, the supplemental accidental insurance will cover your child's medical costs. If serious illness or injury occurs, the student's parents/guardians will be contacted as soon as possible.

In addition, please go to the Ashford School athletics page and review information concerning concussions, as well as risks regarding heat related illnesses.

To participate in Ashford interscholastic athletics, we must have the signed permission slip below as well as the correct medical form. (Also listed on the Ashford School athletics page).
