

2026-2027 ASHFORD SCHOOL BUS ROUTES

Please allow a 5-to-10-minute variation for pickup and drop off times. Routes are subject to change as student transportation needs increase or decrease. Delays may occur due to weather, mechanical issues, or unforeseen events and we appreciate your patience when this occurs. If any parent would like to discuss their child's particular afternoon drop-off time, you may contact our Bus Coordinator at 860-429-1927x370, leave a message and someone will return your call.
